<b>The Global Trade and Technology Network (GTN)</b>	GTN is an international trade lead matching and technology transfer network that helps small and medium-sized enterprises build trade and business linkages, identify investment opportunities and access new technologies. GTN firms are connected by an Internet-based trade lead matching platform that facilitates trade through on-line matching of technology needs with firms that can provide the product or service requested. GTN builds the capacity of firms to engage in international trade by increasing SME access to commercial information and global markets through an all horizons trade initiative that promotes trade in any GTN country in any sector. GTN also facilitates bilateral trade and technology transfer with the United States. GTN's electronic commerce platform enables firms to establish international trade linkages such as joint ventures, direct sales and purchases, and agent or distributorships. Funded and implemented by USAID/EGAT/BD. For more information please see: <a href="http://www.usgtn.net">www.usgtn.net</a>	Export Promotion	62,500
