FY 02 Trade Capacity Building Assistance (\$US)
VENEZUELA

Activity Title	Activity Description	TCB Category	FY 02 Total
199950064D - Technical Advisor for CONATEL	TDA funds a technical advisor to be placed for one year in the Venezuelan telecommunications regulatory agency (CONATEL). The grantee, CONATEL, requested advisory assistance to cover legal, technical, and business development issues. The Venezuelan telecommunication sector has experienced significant growth since its privatization in 1991, and demand for telecommunications services is far from satisfied. Strategic Policy Research is the contractor. Equipment and services of the telecommunication sector are potential exports. Funded and implemented by Trade Development Agency.	Other Services Development	189,000
FY02 Total USG Trade Capacity Building Assistance to VENEZUELA			189,000
