American Center for International Labor Solidarity	The Solidarity Center's programs in Africa focus on strengthening the voice of workers, promoting equity in opportunity and responsibility for women, minorities, and youth, focusing on countries and regions where efforts can be leveraged, and building on prior successes, complementing the efforts of other civil society organizations. Increasing collective bargaining is at the heart of the Africa program, because it promotes increased membership as well as an increase in workers represented. The programs also have a gender as well as a religious component. The Solidarity Center also encourages workers to work with civil society organizations, and reaches out to unaffiliated unions. Funded and implemented by USAID/DG.	Human Resources & Labor Standards	\$ 255,305
Commercialization Program	This program focuses on policies and regulations to promote commercialization and the transformation of agricultural technology into market-oriented and profitable products. Activities include natural products development and trade, food processing association development to enhance trade opportunities, and the use of information technology to increase agribusinesses' capacity to compete for markets and acquire technologies through the global marketplace. Funded by USAID and implemented by USDA/FAS.	Trade-Related Agriculture	39,782
Equity and Growth through Economic Research (EAGER) -- Agribusiness	This program promotes private sector and trade and investment activities including the development of appropriate policies and regulations and support for small and medium-sized enterprises. Emphasis is on the development of policies that encourage inter- and intra-regional trade, investment, and business linkages. Activities are designed to enhance the implementation of the African Growth and Opportunity Act. Funded by USAID and implemented by USDA/FAS.	Trade-Related Agriculture	18,260
Human Capacity Development/ Higher Education & Training Systems	This program provides technical assistance to higher education workforce development and training activities in agriculture, agribusiness, trade and related areas. Policy Analysis, Research, and Technical Support (PARTS) for Democracy & Governance	This program supports agriculture, trade, and entrepreneurial development through the development of the enabling environment and of local, community-level associations. Through the decentralization of policies and practices and the local democratization process, the program enhances the growth of a market economy and trade relationships. Funded by USAID and implemented by USDA/FAS.	Other Trade Facilitation	23,913
Policy Approaches to SPS International Standards & Trade Policy Implications	This program provides comprehensive training on trade policy implications of the international standard-setting bodies and WTO-consistent approaches to the implementation of SPS regulations. Africa based regional workshops for the SADC, COMESA, and WAEMU organizations involve policy officials, technical specialists, and private sector representatives from each country. Funded by USAID and implemented by USDA/FAS.	Agreement on SPS	18,244
The Global Trade and Technology Network (GTN)	GTN is an international trade lead matching and technology transfer network that helps small and medium-sized enterprises build trade and business linkages, identify investment opportunities and access new technologies. GTN firms are connected by an Internet-based trade lead matching platform that facilitates trade through on-line matching of technology needs with firms that can provide the product or service requested. GTN builds the capacity of firms to engage in international trade by increasing SME access to commercial information and global markets through an all horizons trade initiative that promotes trade in any GTN country in any sector. GTN also facilitates bilateral trade and technology transfer with the United States. GTN's electronic commerce platform enables firms to establish international trade linkages such as joint ventures, direct sales and purchases, and agent or distributorships.	Export Promotion	62,500
