

United States Government
2003 Trade Capacity Building Assistance (\$US)
CAPE VERDE

Activity Title	Activity Description	TCB Category	FY 03 Total
Amilcar Cabral International Airport	U.S. Trade and Development Agency has funded a technical assistance/feasibility study assessment of Cape Verde's international airport. The assistance will help the Airports and Air Navigation Authority upgrade their airport services leading to a greater capacity to export goods from Cape Verde as well as the sub-region. Likewise, the assistance will highlight infrastructure needs to increase trade flows through Cape Verde. (Activity #200310036B) Funded and implemented by Trade and Development Agency.	E-Commerce & IT	145,825
		Physical Infrastructure Development	145,825
		Activity Total	291,650
Doha Project for WTO Accession	Assistance is focused on helping Cape Verde join the WTO, including for accession itself and understanding the numerous agreements. A foreign trade memorandum completed and submitted to WTO. Working party meetings were expected to starting in September or October of 2003. Funded and implemented by USAID/EGAT/EG.	WTO Accession	805,000
Total FY03 USG Trade Capacity Building Assistance to Cape Verde			1,096,650
