**INDIA**

Activity Title	Activity Description	TCB Category	FY 03 Total
<b>Air Traffic Management</b>	This training grant will provide the necessary wide area augmentation system for India to put in place a fully automated CNS-ATM (air traffic management) system to improve the operation and safety of its airports. Funded and implemented by Trade and Development Agency. (Activity #200330028A)	Physical Infrastructure Development	500,000
		<b>Activity Total</b>	<b>500,000</b>
<b>Financial Institutions Reform and Expansion - Regulatory</b>	The Financial Institutions Reform and Expansion - Regulatory program has made significant progress in improving the transparency and efficiency of India's securities markets. It is building on the following past results: (1) reduction of systemic risk in trading, clearing, and settlement by supporting the establishment of India's first electronic securities depository and clearing corp; (2) creation of awareness of best practices in regulatory oversight; and (3) development of institutional framework for introduction of futures and options trading. Funded and implemented by USAID/India	Financial Sector Dev. & Good Governance	3,500,000
		<b>Activity Total</b>	<b>3,500,000</b>
<b>Improving Coal Mine Safety and Health</b>	This project aims to: (1) protect the lives, safety and welfare of Indian coal miners and to improve safety and health conditions at Indian coal mines; (2) reduce deaths and injuries among Indian coal miners; (3) increase awareness among Indian coal miners, mine owners and managers, unions and inspectors regarding safety standards and accident prevention; and (4) strengthen the capacity of the Indian Directorate General of Mine Safety (DGMS) through sharing best practices and developing a database to promote mine safety and health and conduct thorough inspections. Funded and implemented by Department of Labor/ILAB.	Human Resources & Labor Standards	125,000
		<b>Activity Total</b>	<b>125,000</b>
<b>India Cochran Fellowships</b>	United States Department of Agriculture's (USDA) Cochran Fellowship Program promotes global market-driven food systems through short-term agricultural marketing and agribusiness-related training in the United States. In 2003, three Indian poultry inspectors attended a poultry inspection program and one Indian official attended a course on intellectual property rights. Funded and implemented by Department of Agriculture/FAS.	Trade-Related Agriculture	30,400
		<b>Activity Total</b>	<b>30,400</b>
<b>India Codex Alimentarius Workshop</b>	United States Department of Agriculture (USDA) organized a January 2003 Codex Alimentarius technical seminar in New Delhi for approximately 40 Indian policymakers and 100 industry representatives. The seminar addressed food safety guidelines and avoiding potential barriers to sanitary-phytosanitary protocols. Funded and implemented by Department of Agriculture/FAS.	Agreement on SPS	105,000
		<b>Activity Total</b>	<b>105,000</b>
<b>Institutional Capacity Building and Business Development</b>	This higher education partnership (Mahatma Gandhi College-Jackson State University) is designed to strengthen the Indian university's institutional capacity to respond to India's transformation needs by establishing several programs focused on business development. The partnership will establish an Executive MBA, Management Training and Development Institute, and Center for Business Development and Economic Research. Funded and implemented by USAID/EGAT/ED.	Business Services & Training	50,000
