TOGO

Activity Title	Activity Description	TCB Category	FY 03 Total
Sea Point Africa Container Facility	Feasibility Study on the construction and operation of a container transshipment facility at the Port of Lomé. Enhanced container terminals with more efficient transfer from large ships to smaller feeder vessels are a direct response to a growing need for both regional and international trade in West Africa and the new facility will provide enhanced access to and from the region for both main line shipping companies and smaller feeder vessel operations. Funded and implemented by Trade and Development Agency. (Activity #200210070B)	Physical Infrastructure Development	182,344
		Other Services Development	182,344
		Activity Total	364,687
Total FY03 USG Trade Capacity Building Assistance to Togo			364,687
