

United States Government
2003 Trade Capacity Building Assistance (\$US)
UKRAINE

Activity Title	Activity Description	TCB Category	FY 03 Total
Accounting Reform II	The Accounting Reform project supports the adoption of international accounting and auditing standards in Ukraine, the lack of which severely inhibits the ability of Ukrainian businesses to conduct international trade and attract investment. Funded and implemented by USAID/Ukraine.	Business Services & Training	648,000
Agricultural Policy Project	The Agricultural Policy Project funded a consultation by a world class expert in WTO accession during FY 2003, and supports other agricultural sector analyses related to trade in agricultural products. Funded and implemented by USAID/Ukraine.	WTO Awareness	32,675
		WTO Accession	32,675
		Trade-Related Agriculture	65,350
		Activity Total	130,699
Air Cargo Hub at Gostomel Airport	Promoting physical and economic infrastructure by funding a feasibility study on a new air cargo hub. (Activity #200280047B) Funded and implemented by Trade and Development Agency.	Physical Infrastructure Development	408,121
BIZPRO	BIZPRO works to improve the regulatory framework for the conduct of business that operate in both the strictly domestic economy and those that are involved in international trade, and to improve business skills of both types of businesses. Funded and implemented by USAID/Ukraine.	Business Services & Training	400,000
		Physical Infrastructure Development	400,000
		Competition Policy & Foreign Investment	400,000
		Gov/Transparency & Inter-Agency Coord.	400,000
		Activity Total	1,600,000
Bank Supervision Development	The Bank Supervision Development project addresses a key constraint to trade and investment in Ukraine: the lack of local finance. Survey data of foreign businesses have shown that lack of local finance for Ukrainian partners with foreign businesses is among the most important impediments to expanded trade and investment. Bank Supervision Development is addressing this constraint by rebuilding public confidence in the banking system, which will, in turn, permit the banks to attract more deposits and expand their lending. Funded and implemented by USAID/Ukraine.	Financial Sector Dev. & Good Governance	1,462,339
Business Management Education II	Business Management Education II provides market economy-oriented business training up to and including the masters level for Ukrainian participants. Funded and implemented by USAID/Ukraine.	Business Services & Training	425,000
Commercial Law Information Center	The Commercial Law Information Center addresses the problem of deficiencies in application of commercial law in Ukraine, which are often cited in business surveys as a constraint to expanded trade and investment. Funded and implemented by USAID/Ukraine.	Business Services & Training	537,500
		Financial Sector Dev. & Good Governance	537,500
		Activity Total	1,075,000
