PERU

Activity Title	Activity Description	TCB Category	FY 05 Total
Asociación Especializada para el Desarrollo Sostenible (AEDES)	Asociación Especializada para el Desarrollo Sostenible (AEDES) provides training, technical assistance, material support, equipment, and access to credit for approximately 1,000 farmers growing and processing organic grains and herbs in the highland areas of Arequipa and Puno. The farmers are guided in forming alliances and consortia as a means of uniting their productive capacity and strengthening their ability to acquire government services. Through the program, the farmers are better able to gain access to more lucrative national and international markets. Funded and implemented by Inter-American Foundation.	Export Promotion	119,600
		Business Services & Training	89,700
		Trade-Related Agriculture	89,700
		Total Activity	299,000
Creating Conditions for Economic Revitalization (CRECER)	Creating Conditions for Economic Revitalization (CRECER) improves economic policy and the institutional framework by addressing structural and systemic constraints to increase productivity and reduce transaction costs. Interventions also promote private sector participation in infrastructure development and maintenance and facilitate public outreach and awareness on FTA issues. This activity is in support of the US-Andean FTA negotiations. Funded and implemented by USAID/Peru.	WTO Awareness	210,000
		Other Trade Facilitation	210,000
		Physical Infrastructure Development	140,000
		Gov/Transparency & Inter-Agency Coord.	140,000
		Total Activity	700,000
Low Acid Canned Food Training Course - Peru	Food and Drug Administration (FDA) inspection of plants assessed training needs for low acid canned food (LACF) industry and foreign government inspectors. The educational program includes seminars, work groups, site visits and food safety coalition building. Funded and implemented by Health & Human Services/FDA.	Agreement on SPS	36,492
		Total Activity	36,492
Peru-Ecuador Border Region Development	The Peru-Ecuador Border Region Development activity is financing technical assistance to improve productivity of private sector firms and to expand financial services through Development Credit Authority (DCA) guarantee agreements. This activity is in support of the US-Andean FTA negotiations. Funded and implemented by USAID/Peru.	Business Services & Training	845,000
		Financial Sector Dev. & Good Governance	455,000
		Total Activity	1,300,000
Poverty Reduction and Alleviation in Peru	Poverty Reduction and Alleviation in Peru reduces poverty by providing technical assistance to the private sector to improve productivity in operations located in areas of high poverty. Reported figures represent percentage of financing to increase exports from assisted firm. In a second component of this activity, public-private partnerships in key economic infrastructure are promoted. This activity is in support of the US-Andean FTA negotiations. Funded and implemented by USAID/Peru.	Business Services & Training	1,575,000
		Physical Infrastructure Development	2,925,000
		Total Activity	4,500,000
