

United States Government
2006 Trade Capacity Building Assistance (\$US)
CHILE

			FY06 Total
Activity Title	Activity Description	TCB Category	
Asia Pacific Economic Cooperation - Global Harmonization Task Force Seminar	The U.S. Food and Drug Administration (FDA) provided training on the Global Harmonization Task Force guidance on quality systems and auditing to encourage harmonization in the way governments regulate medical device manufacturers. Funded by Department of Commerce and implemented by Health and Human Services/FDA.	Agreement on TBT	2,500
		Activity Total	2,500
Border Security: Inspection / Detection Equipment Training - Chile	Promotes border security and customs operations by providing Chile with inspection and detection equipment and training. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. The EXBS program takes a regional and multilateral approach, promoting harmonization of national export control systems with international standards and facilitating information-sharing agreements among nations. The program also organizes a number of regional fora to bring national policymakers and technical experts together to share information and best practices. Funded by Department of State and implemented by Department of Homeland Security/Customs.	Customs Operation & Administration	133,000
		Activity Total	133,000
Border Security: Inspection / Detection Equipment and Training for Chile	Promotes border security and customs operations by supporting the ability of Chile to utilize inspection and detection equipment for export controls. Funding provided thirty radiation pagers, two resonance ionization imaging detection units (RIIDS), two geiger counters, fifty tool kits, and two busters (density meters used to inspect sealed spaces). This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. The EXBS program takes a regional and multilateral approach, promoting harmonization of national export control systems with international standards and facilitating information-sharing agreements among nations. Funded and implemented by Department of State.	Customs Operation & Administration	87,000
		Activity Total	87,000

CHILE

			FY06 Total
Canine Training - Chile	This activity supports consultation with Chile on canine training. Funded and implemented by Department of Agriculture.	Customs Operation & Administration	11,808
		Activity Total	11,808
Chile Free Trade Agreement Import Certification	Technical assistance to the Chilean Minister of Health on the U.S. import certification process. Training was implemented in preparation of Chile introducing new legislation. Funded and implemented by Department of Agriculture/FAS.	Agreement on SPS	25,000
		Activity Total	25,000
Chilean Customs Advance Rulings and Customs Valuation	This technical assistance grant will help Chilean Customs meet their obligations under the U.S.-Chile Free Trade Agreement (U.S.-Chile FTA), specifically Article 5.10(1)(b) on advance rulings and the application of customs valuation criteria. The technical assistance will develop a draft regulation on advance rulings, establish new procedures, develop and deliver training for Chilean Customs officers, and provide tools, such as training manuals, to assist Chilean Customs with implementation. The program will also help design advance rulings and valuation databases, which Chilean Customs can use to facilitate the processing of advance rulings and the application of customs valuation. Funded and implemented by Trade and Development Agency.	Regional Trade Agreements (RTA)	84,945
		Customs Operation & Administration	198,205
		Activity Total	283,150
Low Acid Canned Foods Training - Chile	Experts from U.S. Food and Drug Administration (FDA) trained low acid canned foods (LACF) experts and government inspectors and led site visits to LACF processing facilities, followed by public-private coalition building for sustained improvements in the industry. Funded and implemented by Health and Human Services/FDA.	Agreement on SPS	5,000
		Activity Total	5,000
Sanitary and Phytosanitary Workshop - Chile	Support for Asia-Pacific Economic Cooperation (APEC) standard-setting workshop. Funded and implemented by Department of Agriculture.	Agreement on SPS	117,899
		Activity Total	117,899
Support for Air Cargo	Support for this purchase of a cargo plane will enhance the air cargo export potential in Chile. Funded and implemented by Export Import Bank.	Physical Infrastructure Development	324,647
		Activity Total	324,647
