Activity Title	Activity Description	TCB Category	
Border Security: Advanced Investigations and Industry Outreach in Hungary	Promotes border security and customs operations by supporting the ability of Hungary to conduct advanced investigations and industry outreach. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. The EXBS program takes a regional and multilateral approach, promoting harmonization of national export control systems with international standards and facilitating information-sharing agreements among nations. The program also organizes a number of regional fora to bring national policymakers and technical experts together to share information and best practices. Funded by Department of State and implemented by Department of Homeland Security/Customs.	Customs Operation & Administration	80,000
		Activity Total	80,000
Intellectual Property Rights Eurasian Regional Conference	This regional conference focused on identifying, investigating, and prosecuting intellectual property crimes more effectively within the context of a technologically complex Eurasia. It informed participants of current international standards and treaties, empowering participating countries in the region to protect intellectual property with the proper knowledgebase and resources necessary. Funded by Department of State and implemented by Department of Justice.	Agreement on TRIPs	137,630
		Activity Total	137,630
