Activity Title	Activity Description	TCB Category	
Border Security: Inspection / Detection Equipment - Oman	Promotes border security and customs operations by providing Oman with patrol vehicles and inspection / detection equipment. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. The EXBS program takes a regional and multilateral approach, promoting harmonization of national export control systems with international standards and facilitating information-sharing agreements among nations. The program also organizes a number of regional fora to bring national policymakers and technical experts together to share information and best practices. Funded and implemented by Department of State.	Customs Operation & Administration	220,000
		Activity Total	220,000
Border Security: Licensing Regulations Drafting Workshop in Oman	Promotes border security and customs operations by supporting the ability of Oman to issue and regulate export licenses. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. The EXBS program takes a regional and multilateral approach, promoting harmonization of national export control systems with international standards and facilitating information-sharing agreements among nations. The program also organizes a number of regional fora to bring national policymakers and technical experts together to share information and best practices. Funded by Department of State and implemented by Department of Commerce.	Customs Operation & Administration	80,000
