2006 Trade Capacity Building Assistance (\$US)
SOUTHERN AFRICA NS

			FY06 Total
Activity Title	Activity Description	TCB Category	
APHIS Plant Health Advisor Posted at Trade Hub - Southern Africa	This activity supports the placement of a plant health systems advisor from the Animal and Plant Health Inspection Service (APHIS), an office of the U.S. Department of Agriculture, at a trade hub in southern Africa to assist countries in conducting phytosanitary capacity development for plant products potentially destined for U.S. markets, including assisting with pest risk assessments. Funded by USAID/AFR and implemented by Department of Agriculture/FAS.	Trade-Related Agriculture	170,680
		Activity Total	170,680
Private Sector Participation in the Southern Africa Power Pool	By allowing private power producers to fully participate in the Power Pool, the Southern Africa Power Pool will increase its ability to trade electricity across national borders. Funded and implemented by USAID/EGAT/EIT.	Physical Infrastructure Development	55,000
		Activity Total	55,000
Risk Assessment Workshop - Southern Africa	Support for risk assessment workshop. Funded and implemented by Department of Agriculture.	Trade-Related Agriculture	10,063
		Activity Total	10,063
Southern Africa Power Pool Hydropower Development Environmental Guidelines	This program assists the South Africa Power Pool with development of its hydropower resources. These improvements will increase the amount of electricity available to be traded across Southern African Development Community borders, thus contributing to economic efficiency and growth. Funded and implemented by USAID/EGAT/EIT.	Physical Infrastructure Development	181,000
		Activity Total	181,000

			FY06 Total
Trade Facilitation and Capacity Building	This activity is in support of the implementation of the Presidential Trade Initiative for Southern Africa. The physical actions are the operation of the Trade Hub and provision of technical services in support of improving trade competitiveness and accessing African Growth Opportunity Act (AGOA) opportunities. Under this activity, RCSA foster Trade negotiation capacity for regional economic communities such as Southern African Customs Union (SACU) and their respective members, provide policy assistance on improving business environments and implement regional transport and customs integration and investment. The activity has two focus areas: one is more engaged in transactions and work with firms, clusters and trade connections as well as improving the Trade ability of the private sector and the other is more engaged with the public sector and improving the doing business climate. Funded and implemented by USAID/RCSA.	Tourism Sector Development	270,900
		Trade-Related Agriculture	541,800
		Competition Policy & Foreign Investment	270,900
		Financial Sector Dev. & Good Governance	433,440
		Regional Trade Agreements (RTA)	650,160
		Business Services & Training	1,462,860
		Export Promotion	1,517,040
		Customs Operation & Administration	270,900
		Activity Total	5,418,000
