<b>Activity Title</b>	<b>Activity Description</b>	<b>TCB Category</b>	
<b>Border Security: Needs Assessment in Sri Lanka</b>	Promotes border security and customs operations by funding a needs assessment for Sri Lanka with respect to export controls. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. The EXBS program takes a regional and multilateral approach, promoting harmonization of national export control systems with international standards and facilitating information-sharing agreements among nations. The program also organizes a number of regional fora to bring national policymakers and technical experts together to share information and best practices. Funded and implemented by Department of State.	Customs Operation & Administration	75,000
		Activity Total	75,000
<b>Border Security: Proliferation Awareness Training for Sri Lanka</b>	Promotes border security and customs operations by funding a program of proliferation awareness for Sri Lanka with respect to export controls. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. The EXBS program takes a regional and multilateral approach, promoting harmonization of national export control systems with international standards and facilitating information-sharing agreements among nations. The program also organizes a number of regional fora to bring national policymakers and technical experts together to share information and best practices. Funded and implemented by Department of State.	Customs Operation & Administration	100,000
		Activity Total	100,000

			<b>FY06 Total</b>
<b>Border Security: Senior Policy Exchange with Sri Lanka</b>	Promotes border security and customs operations by hosting a senior policy exchange with Sri Lanka on issues related to export controls. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. The EXBS program takes a regional and multilateral approach, promoting harmonization of national export control systems with international standards and facilitating information-sharing agreements among nations. The program also organizes a number of regional fora to bring national policymakers and technical experts together to share information and best practices. Funded and implemented by Department of State.	Customs Operation & Administration	125,000
		Activity Total	125,000
<b>Financial Sector Development in Sri Lanka: Anti-Money Laundering</b>	Activity assists in the development of an effective anti-money laundering and countering of the financing of terrorism (AML/CFT) regime in Sri Lanka to include establishment of a financial intelligence unit (FIU) that meets international (Egmont Group) standards, including design and deployment of organization processes and structure, information technology, human resource development and inter-agency coordination and training. The advisor will also assist Sri Lanka in implementing a program for sustained and meaningful international engagement and cooperation. Finally, the resident advisor will coordinate with other international donors, the U.S. Department of State and the U.S. Department of Justice to insure that needed training and other forms of support are delivered effectively and comprehensively. Funded and implemented by Department of Treasury/OTA.	Gov/Transparency & Inter-Agency Coord.	145,294
		Activity Total	145,294

			<b>FY06 Total</b>
<b>Financial Sector Development in Sri Lanka: Debt Management</b>	Debt management, including a new, rationalized debt management organization and development of a strategy with the goals of reducing risk and lowering the debt service burden comprises the primary focus of the terms of reference for the resident advisor in Sri Lanka. In addition, counterparts have requested assistance on key aspects of their current debt management program activities, including advisory assistance on the development of benchmarks to improve liquidity in the domestic market, the introduction of new treasury instruments, development of a risk management framework, and enhancing the regulatory framework for government securities transactions to facilitate the transmission fiscal policies. Funded and implemented by Department of Treasury/OTA.	Financial Sector Dev. & Good Governance	44,706
		Activity Total	44,706
<b>Improved Policy Environment for Trade in Sri Lanka: Budget Policy</b>	Advisor assistance to the Government of Sri Lanka emphasizes professional capacity building of Ministry of Finance staff to support budget and financial management reforms. Funded and implemented by Department of Treasury/OTA.	Gov/Transparency & Inter-Agency Coord.	64,706
		Activity Total	64,706
<b>Post Tsunami Road Equipment Requirements</b>	This grant to the Sri Lankan Ministry of Highways will fund a feasibility study that will evaluate various mechanisms for equipment procurement and distribution such as the establishment of public-private partnerships for leasing equipment to the local road construction industry. The overall objective of the study will be to identify road construction and maintenance equipment needs, particularly in the tsunami-affected areas of Sri Lanka, and how to best meet these needs in the future. Funded and implemented by Trade and Development Agency.	Physical Infrastructure Development	367,000
		Activity Total	367,000
