Activity Title	Activity Description	TCB Category	
Border Security: Inspection / Detection Equipment and Training - Tajikistan	Promotes border security and customs operations by providing Tajikistan with inspection and detection equipment and training. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. The EXBS program takes a regional and multilateral approach, promoting harmonization of national export control systems with international standards and facilitating information-sharing agreements among nations. The program also organizes a number of regional fora to bring national policymakers and technical experts together to share information and best practices. Funded and implemented by Department of State.	Customs Operation & Administration	220,000
		Activity Total	220,000
Border Security: International Border Interdiction Training I - Tajikistan	Promotes border security and customs operations by supporting the ability of Tajikistan to implement an international border interdiction system. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. The EXBS program takes a regional and multilateral approach, promoting harmonization of national export control systems with international standards and facilitating information-sharing agreements among nations. The program also organizes a number of regional fora to bring national policymakers and technical experts together to share information and best practices. Funded by Department of State and implemented by Department of Homeland Security/Customs.	Customs Operation & Administration	150,000
		Activity Total	150,000

			FY06 Total
Central Asia Power Sector Development Plan	This feasibility study on the Central Asia Power Development project will assist the Central Asian nations of Tajikistan, Kazakhstan, and Kyrgyzstan export their excess electricity to power deficient Afghanistan and Pakistan. This three component project will utilize excess coal-fired power from Kazakhstan along with hydropower from Tajikistan and Kyrgyzstan to better integrate the power resources of the region and address a pressing need for energy in Afghanistan and Pakistan. Funded and implemented by Trade and Development Agency.	Physical Infrastructure Development	800,000
		Activity Total	800,000
Economic Policy Reform Project - Tajikistan	This activity focuses on providing assistance to the Ministry of Finance in implementing program budgeting at the national level, monetary policy assistance to the National Bank of Tajikistan (NBT) in conducting open market operations, regulating reserves, and risk management, and assistance in implementing the PRSP of Tajikistan. The project also provides assistance to the Ministry for State Revenues and Duties to improve tax administration. The Tajik banking sector has benefited from technical assistance to the NBT to strengthen its on-site and off-site supervisory capacity to provide legal and regulatory framework to ensure the effective functioning of the banking system. Funded and implemented by USAID/Central Asian Republics.	Financial Sector Dev. & Good Governance	603,229
		Activity Total	603,229

Trade Facilitation and Investment Project	The activity cultivates grassroots participation in Tajikistan of business, legal, and professional associations and other groups in efforts to reform legislation, administrative procedures, and practices that constrain the growth of small- and medium-sized enterprises (SMEs) and investment. It also builds demand for reforms to conform to internationally-recognized trade and investment requirements. The activity (1) assists appropriate government agencies to implement market-oriented changes in regulations and laws, (2) educates government officials and entrepreneurs on existing laws and practices that limit SME trade and investment, (3) provides assistance in dealing with World Trade Organization (WTO) compliance issues, and (4) supports trade facilitation activities, including activities aimed at resolving transit and transportation-related issues and improving customs systems in Central Asia. Funded and implemented by USAID/Central Asian Republics.	Gov/Transparency & Inter-Agency Coord.	59,250
		Other Trade Facilitation	9,875
		Business Services & Training	29,625
		Customs Operation & Administration	29,625
		Agreement on TBT	9,875
		WTO Accession	59,250
		Activity Total	197,500
