<b>Adjudicating Business Disputes, Capacity Building Program for Algeria III</b>	The Commercial Law Development Program (CLDP) organized consultations in close cooperation with the U.S. Embassy in Algiers and the Middle East Partnership Initiative for a delegation of judges from Algeria. The consultations focused on adjudicating business disputes, including meetings with several U.S. judges with particular business court expertise including judges from the U.S. Bankruptcy Court, the U.S. Court of International Trade, and New York State Supreme Court with particular expertise in business courts.	Governance/Transparency and Inter-Agency Coordination	116,001	
		Activity Total TCB for Algeria	116,001	
<b>Effective Regulation of Telecommunications: New Technologies and New Frontiers</b>	As a continuation of work in Algiers in April 2007, consultations (June 2007) in Washington, DC to equip a core group of government officials and private sector professionals from Algeria with a thorough understanding of how to develop and implement effective telecommunications regulations and laws.	Governance/Transparency and Inter-Agency Coordination		74,101
		Activity Total TCB for Algeria		74,101
<b>Inspection and Detection Equipment</b>	This activity promotes border security and customs operations by supporting the ability to administer an international border interdiction program. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. government to help other countries improve their export control systems.	Customs Operation and Administration		16,386
		Activity Total TCB for Algeria		16,386
<b>Model Law and Regulations Workshop</b>	Promotes border security and customs operations by supporting the ability to enforce export controls and operate an international air cargo interdiction system. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Customs Operation and Administration		141,401
		Activity Total TCB for Algeria		141,401
<b>National Control List Workshop</b>	Promotes border security and customs operations by supporting the ability to implement a national control list for export controls. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Customs Operation and Administration		140,001
		Activity Total TCB for Algeria		140,001
<b>Partnership for Financial Excellence</b>	The program focuses on improving financial sector regulation and developing local financial sectors. Cross cutting themes address governance and the role of women in financial markets. The program is directed towards Central Banks, and in particular their banking supervision departments and non-bank financial regulators; and towards banks and non-bank financial institutions.	Financial Sector Development and Good Governance		748,629
		Activity Total TCB for Algeria		748,629
<b>Technical Assistance: Banking and Financial Services - Algeria</b>	There are three signed Terms of Reference (TOR) for Algeria, one with the Minister of Finance, one with the Bank of Algeria (Central Bank), and one with the Minister Delegate for Financial Reform. One of these TORs describes the assistance that is to be provided to the Department of Insurance by the Intermittent Advisor for Insurance. The work-plan has been developed and contains the following items: implementation of the insurance law and improving methods and procedures.	Financial Sector Development and Good Governance	225,001	90,412
		Activity Total TCB for Algeria	225,001	90,412
