Basic Legal and Regulatory Senior Policy Exchange in Belarus	Promotes border security and customs operations by organizing a workshop to support the ability to implement effective laws and regulations for export controls. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. The EXBS program takes a regional and multilateral approach, promoting harmonization of national export control systems with international standards and facilitating information-sharing agreements among nations. The program also organizes a number of regional fora to bring national policymakers and technical experts together to share information and best practices. Funded by Department of State and implemented by Department of Commerce.	Customs Operation & Administration	150,000
