

Table 1. El Salvador Trade Capacity Assistance for 2006 and 2007

Activity Title	Activity Description	TCB Category	FY06 Total	FY07 Total
<b>Cleaner Production Program in El Salvador</b>	The program supports El Salvador in the area of cleaner industrial production processes related to proposed CAFTA requirements and environmental conservation of the Gulf of Fonseca.	Environmental Trade and Standards	188,001	
		Activity Total TCB for El Salvador	188,001	
<b>El Salvador Compact: Connectivity Project</b>	The Northern Transnational Highway Activity includes the design, construction, and rehabilitation of a 289-kilometer two-lane secondary road, forming a transportation corridor from Guatemala to Honduras across the Northern Zone of El Salvador. Increased connectivity is expected to lead to new economic opportunities for rural households, lower transportation costs, and decrease travel times to markets.	Physical Infrastructure Development		233,560,001
		Activity Total TCB for El Salvador		233,560,001
<b>El Salvador Compact: Human Development Project, Community Development Activity</b>	The Human Development Project is a component of the Millennium Challenge Corporation Compact Agreement with the government of El Salvador. The Human Development Project is based on two existing Government of El Salvador programs: the Solidarity Network and the National Education Plan. The Electricity sub-activity, specifically for rural electrification, will provide basic infrastructure necessary for trade. El Salvador Description for 2007: Please note that the Compact runs for 5 years.	Physical Infrastructure Development		27,710,001
		Activity Total TCB for El Salvador		27,710,001
<b>El Salvador Compact: Human Development, Education, and Training Activities</b>	The Human Development Project is a component of the Millennium Challenge Corporation Compact Agreement with the government of El Salvador. The Human Development Project is based on two existing Government of El Salvador programs: the Solidarity Network and the National Education Plan. The Vocational Training sub-activity will improve skills and knowledge of the population for the production of tradeable goods. El Salvador Description for 2007: Please note, the Compact runs for five years.	Human Resources and Labor Standards		32,800,001
		Activity Total TCB for El Salvador		32,800,001
<b>El Salvador Compact: Investment Support, Financial Services</b>	The Productive Development Project helps farmers shift from basic grains to higher value crops and provides services to make MSMEs more efficient. The Investment Support Activity will provide investment capital on market terms to competitively selected applicants for commercially-viable activities. The Financial Services activities will provide credit guarantees and technical assistance to financial institutions, as well as crop insurance for small producers. El Salvador Description for 2007: Please note, this Compact runs for five years.	Financial Sector Development and Good Governance		30,540,001
		Activity Total TCB for El Salvador		30,540,001
<b>El Salvador Compact: Production Development, Production, Business Services Authority</b>	Components of the activity provide: (1) training and financial services to farmers to help them shift from basic grains to higher value crops, as well as to MSMEs to make them more efficient; (2) TA to farmers and MSMEs, all on a cost-sharing basis; and (3) investment capital on market terms to competitively selected applicants for commercially-viable activities by the private sector.	Business Services and Training		56,920,001
		Activity Total TCB for El Salvador		56,920,001
<b>Ensuring Benefits in the Formal Sector</b>	The project is designed to Promote a transparent process for employer payment into the social security system, which (1)Allows workers to verify that deductions from their salaries have been transferred to the correct agency, and (2) Ensures that workers receive appropriate health care benefits.	Human Resources and Labor Standards		1,000,001
		Activity Total TCB for El Salvador		1,000,001

Table 1. El Salvador Trade Capacity Assistance for 2006 and 2007

Activity Title	Activity Description	TCB Category	FY06 Total	FY07 Total
<b>Export Promotion Program - El Salvador - Phase II</b>	USAID is working with small- and medium-sized enterprises, the private sector, business associations and the Government of El Salvador to strengthen business capacity and competitiveness, promote access to markets and increase sales and jobs.	Export Promotion		<b>3,239,001</b>
		Activity Total TCB for El Salvador		<b>3,239,001</b>
<b>Financial Sector Development - El Salvador</b>	USAID will help micro-, small- and medium-sized enterprises (MSMEs) to increase their access to financial services, by improving the understanding of financial institutions of MSME needs, and assisting in introducing new products and management techniques, and by looking for ways to reduce lending risks. The focus will be on MSMEs with the greatest job creating and trade potential.	Financial Sector Development and Good Governance	<b>1,170,001</b>	<b>423,001</b>
		Activity Total TCB for El Salvador	<b>1,170,001</b>	<b>423,001</b>
<b>Intellectual Property Workshop - El Salvador</b>	The Department of Justice's Criminal Division supported an intellectual property (IP) workshop in San Salvador, El Salvador, for investigators and prosecutors to develop an IP handbook.	Agreement on Trade-Related Aspects of Intellectual Property Rights (TRIPS)		<b>20,001</b>
		Activity Total TCB for El Salvador		<b>20,001</b>
<b>Removing Trade Barriers in El Salvador</b>	The U.S. Agency for International Development will help the government of El Salvador (GOES) carry out policy analysis and promote public/private policy dialogue to identify and address key barriers to trade, investment and exports. It will provide support to GOES and the private sector with technical assistance, training, and policy analysis and implementation.	Competition Policy and Foreign Investment	<b>414,001</b>	
		Activity Total TCB for El Salvador	<b>414,001</b>	
<b>Rules of Origin and Customs Procedures</b>	The U.S. Agency for International Development is providing assistance on rules of origin (ROO), customs valuation, and risk management. This assistance will focus on (1) improved ROO administration, (2) developing and implementing a risk management system, (3) implementing classification and valuation procedures, (4) generating more reliable, useful public information, (5) adopting streamlined procedures to expedite =speed to market  and other time sensitive shipments, and (6) selectively improving the legal and regulatory framework.	Agreement on Rules of Origin	<b>318,001</b>	
		Agreement on Customs Valuation Methods	<b>318,001</b>	
		Activity Total TCB for El Salvador	<b>636,001</b>	
<b>Single Window Electronic Customs Portal</b>	The technical assistance provided in this activity for the Dirección General de la Renta de Aduanas (DGA), the customs agency of El Salvador, for an Electronic Import/Export Trade Facilitation Window (Proyecto Ventanilla Única de Comercio Exterior, or VUCEX) will electronically integrate all government offices that participate in the import/export process. It will allow the user to conduct trade through a single web-based information portal that is cost-effective, time-efficient, and secure.	Customs Operation and Administration	<b>252,823</b>	
		Activity Total TCB for El Salvador	<b>252,823</b>	
<b>Small Scale Economic Infrastructure in El Salvador</b>	The U.S. Agency for International Development Mission in El Salvador will implement the Small Infrastructure Activity at the community level specifically to help provide better access to the production areas and job marketing. It is estimated that USAID will be implementing at least 12 small infrastructure projects during fiscal year 2006.	Physical Infrastructure Development	<b>540,001</b>	
		Activity Total TCB for El Salvador	<b>540,001</b>

Table 1. El Salvador Trade Capacity Assistance for 2006 and 2007

Activity Title	Activity Description	TCB Category	FY06 Total	FY07 Total
<b>Tax Administration Policy Support in El Salvador</b>	This assistance builds upon long-time support to the Government of El Salvador to increase tax collections. Objectives include: increasing tax collections, improving detection of tax evasion, increasing voluntary tax compliance through an efficient and effective administration of tax laws.	Governance/Transparency and Inter-Agency Coordination	765,001	493,001
		Activity Total TCB for El Salvador	765,001	493,001
<b>Technical Assistance: Financial Enforcement - El Salvador</b>	The Department of the Treasury's Office of Technical Assistance provided assistance to the Government of El Salvador to strengthen the implementation of anti-money laundering and counter terrorist financing laws, and establish criminal tax and anti-corruption investigation units. The Financial Intelligence Unit also received help for its data processing and management system.	Governance/Transparency and Inter-Agency Coordination		9,501
		Activity Total TCB for El Salvador		9,501
<b>Technical Consultations Good Agricultural Practices</b>	The U.S. Food and Drug Administration and the Joint Institute for Food Safety and Applied Nutrition (JIFSAN) provided Good Agricultural Practices (GAPs) Training to industry in Peru.	Agreement on Sanitary and Phyto-Sanitary Measures (SPS)		5,001
		Activity Total TCB for El Salvador		5,001
<b>Trade Capacity Building</b>	The program will help to strengthen the ability of the government to develop, monitor, and regulate agricultural and food safety. The program will also help to reduce institutional weaknesses that are barriers to trade. The program will provide training and may also provide equipment, improvements in infrastructure, laboratory capacity building, and technical assistance.	Trade-Related Agriculture	3,525,001	
		Activity Total TCB for El Salvador	3,525,001	
<b>USAID Agriculture Diversification Program in El Salvador</b>	This activity, formerly known as AGRITECH21, increases domestic sales and exports of non-traditional, high-value agriculture products by improving processing, market access, long-term business relationships, and technological change by addressing key production constraints and leveraging private sector and donor resources in support of horticultural products and specialty coffees. This activity supports the US-DR-CAFTA.	Trade-Related Agriculture	3,508,001	3,149,001
		Activity Total TCB for El Salvador	3,508,001	3,149,001
<b>USAID Artisan Development Program - El Salvador</b>	This activity is increasing employment and income for artisan entrepreneurs by enhancing their capacity to produce and market crafts, and increasing their access to markets. Accomplishments: As of March 2007, USAID helped artisans to increase export and domestic sales by an estimated \$3.	Export Promotion	600,001	450,001
		Activity Total TCB for El Salvador	600,001	450,001
<b>USAID Export Promotion Program - Phase II</b>	The Export Promotion Program Phase II, formerly known as ExproTech, has started to continue working with Small and Medium Enterprises (SMEs), the private sector, business associations and the Government of El Salvador (GOES) to strengthen business capacity and competitiveness, promote access to markets, increase sales and jobs, and expand access to appropriate technologies.	Export Promotion	2,798,001	
		Activity Total TCB for El Salvador	2,798,001
