

Table 1. Ghana Trade Capacity Assistance for 2006 and 2007

Activity Title	Activity Description	TCB Category	FY06 Total	FY07 Total
Financial Sector Development in Ghana: Debt Management	The program assists the Ministry of Finance in Ghana to focus on cash forecasting and formulating basic policy parameters. In addition, there is a heightened awareness within the ministry of the need for a domestic debt management unit. It will be the role of the resident advisor to help implement this project.	Financial Sector Development and Good Governance	186,766	
		Activity Total TCB for Ghana	186,766	
Ghana Compact: Agriculture Project, Commercial Training Activity	The Agriculture Project is a component of the Millennium Challenge Corporation Compact Agreement with the government of Ghana. The Farmer and Enterprise Training in Commercial Agriculture Activity accelerates the development of commercial skills and capacity among Farmer-Based Organizations (FBOs) and their business partners, including entities, such as processors and marketers, adding value to agricultural crops. All activities for the project are conducted across three Intervention Zones. Ghana Description for 2007: Please note, the Compact runs for five years.	Business Services and Training		21,785,001
		Activity Total TCB for Ghana		21,785,001
Ghana Compact: Agriculture Project, Credit Services Activity	The Agriculture Project is a component of the Millennium Challenge Corporate Corporation Agreement with the government of Ghana. Ghana Description for 2007: Please note, the Compact runs for five years.	Financial Sector Development and Good Governance		23,360,001
		Activity Total TCB for Ghana		23,360,001
Ghana Compact: Agriculture Project, Feeder Roads Activity	The Agriculture Project is a component of the Millennium Challenge Corporation Compact Agreement with the government of Ghana. Ghana Description for 2007: Please note, the Compact runs for five years.	Physical Infrastructure Development		28,949,001
		Activity Total TCB for Ghana		28,949,001
Ghana Compact: Agriculture Project, Irrigation Activity	The Agriculture Project is a component of the Millennium Challenge Corporation Compact Agreement with the government of Ghana. The Irrigation Development Activity establishes a limited number of retention ponds and weirs requested by the Farmer-Based Organizations (FBOs) and FBO partnerships whose access to water is critical to their business's success. All activities for the project are conducted across three Intervention Zones. Ghana Description for 2007: Please note, the Compact runs for five years.	Trade-Related Agriculture		11,043,001
		Activity Total TCB for Ghana		11,043,001
Ghana Compact: Agriculture Project, Land Tenure Activity	The Agriculture Project is a component of the Millennium Challenge Corporation Compact Agreement with the government of Ghana. The Land Tenure Facilitation Activity improves tenure security for existing land users and facilitates access for new or existing users to land for higher value agricultural crops in the Intervention Zones. All activities for the project are conducted across three Intervention Zones. Ghana Description for 2007: Please note, the Compact runs for five years.	Governance/Transparency and Inter-Agency Coordination		3,527,001
		Activity Total TCB for Ghana		3,527,001
Ghana Compact: Agriculture Project, Post-Harvest Handling Activity	The Agriculture Project is a component of the Millennium Challenge Corporate Corporation Agreement with the government of Ghana. The Improvement of Post-Harvest Handling and Value Chain Services Activity facilitates strategic investments by Farmer-Based Organizations (FBOs) and FBO partnerships in post-harvest infrastructure improvements and builds the capacity of the public sector to introduce and monitor compliance with international plant protection standards. Ghana Description for 2007: Please note, the Compact runs for five years.	Physical Infrastructure Development		8,150,001
		Activity Total TCB for Ghana		8,150,001

Activity Title	Activity Description	TCB Category	FY06 Total	FY07 Total
Ghana Compact: Rural Services Project, Rural Financial Services Activity	The Rural Development Project is a component of the Millennium Challenge Corporation Compact Agreement with the government of Ghana. Ghana Description for 2007: Please note, the Compact runs for five years.	E-commerce Development and Information Technologies		5,354,001
		Activity Total TCB for Ghana		5,354,001
Ghana Compact: Transportation Project, Roads Activities	The Transportation Project is a component of the Millennium Challenge Corporation Compact Agreement with the government of Ghana. The Transportation Project has two trade capacity building activities. The Upgrades to Sections of N1 Highway Activity will reduce the bottleneck in accessing the International Airport and the Port of Tema. Ghana Description for 2007: Please note, the Compact runs for five years.	Physical Infrastructure Development		137,750,001
		Activity Total TCB for Ghana		137,750,001
Improved Policy Environment for Trade in Ghana: Budget Policy	A resident advisor in Ghana works with the Minister of Public Sector Reform. Public Sector Reform is a new Ministry in Ghana that has new, special powers to push through a public sector modernization reform. The reform program will touch all areas of the government and will include accounting and budgeting reforms and fiscal decentralization among others. The resident supports the accounting and systems reforms as well as the fiscal decentralization program.	Governance/Transparency and Inter-Agency Coordination	200,001	
		Activity Total TCB for Ghana	200,001	
Improved Policy Environment for Trade in Ghana: Tax Policy	Assistance to the Government of Ghana Internal Revenue Service (IRS), VAT (value added tax) Service, and Large Taxpayer Unit (LTU) to: (1) train senior and mid-level management, (2) conduct Leading Change Executive Seminar, (3) continue assisting with the Collection Management Information System (CMIS) data gathering to develop baselines for measuring costs and developing future collection programs, (4) provide media relations and public affairs assistance, (5) continue delivery of audit manual procedures and forms, (6) create and train in the Audit management information system (AMIS), (7) assist in drafting and implementing Codes of Conduct and Ethics, (8) provide gaming industry assistance in conjunction with the Enforcement Team in support of anticipated legislation, and (9) collaborate with other donors in supporting IRS automation efforts to promote accountability, accuracy, databases, and guidance on returns.	Governance/Transparency and Inter-Agency Coordination	92,942	
		Activity Total TCB for Ghana	92,942	
Political Risk Insurance for the Development of Financial Services	This activity provides support for the development of the local financial services Ghana Description for 2007: The project will assist the financial infrastructure of the country by providing the first home mortgage finance facility in Ghana. The project will also enhance and improve the local physical infrastructure by helping to construct new roads, erect streetlights, build planned water and sewer systems, and introduce up-to-date telecommunications and multimedia technology systems for housing development.	Financial Sector Development and Good Governance		58,993
		Activity Total TCB for Ghana		58,993
Ports of Tema and Takoradi Master Plan	The U.S. Trade and Development Agency is giving a grant to the Ghana Ports and Harbours Authority to fund a feasibility study to develop a master plan for the ports of Tema and Takoradi. Tema is currently one of the busiest container ports in Africa, and could benefit from further expansion. Takoradi, though busiest port in Ghana, does not have permanent container facilities and needs dredging.	Physical Infrastructure Development		349,076
		Customs Operation and Administration		349,076
		Activity Total TCB for Ghana		698,151
Private Sector Competitiveness	The Private Sector Competitiveness program focuses on improving a broad array of macroeconomic, trade and factor market policies, as well as regulatory frameworks to increase the competitiveness of the Ghanaian private sector. Consisting of two main components, (A) strengthening the policy and regulatory enabling environment of Ghana, and (B) an export business development component, the program has led to several achievements. One success includes the provision of technical and financial assistance from the USAID Trade and Investment
