Activity Title	Activity Description	TCB Category	FY06	FY07
			Total	Total
<b>Access to Finance</b>	India must invest \$330 billion in infrastructure over the next five years to sustain growth and reduce poverty. The Government of India (GOI) has made Public Private Partnerships (PPPs) the centerpiece of infrastructure development. Yet, capacity at the state and local level to manage PPPs is limited. India needs help creating a process in trade and investment for a sustainable approach to promoting economic growth.	Financial Sector Development and Good Governance		49,961
		Activity Total TCB for India		49,961
<b>Agricultural Biotechnology Training Program</b>	This grant for an agricultural biotechnology training program for Indian officials will support training for Indian regulators and scientists on a variety of agricultural- biotechnology issues.	Human Resources and Labor Standards	125,001	
		Export Promotion	250,001	
		Environmental Trade and Standards	125,001	
		Activity Total TCB for India	500,001	
<b>Air Cargo Interdiction Training for India</b>	Promotes border security and customs operations by supporting the ability of India to enforce export controls and operate an international air cargo interdiction system. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. The EXBS program takes a regional and multilateral approach, promoting harmonization of national export control systems with international standards and facilitating information-sharing agreements among nations. The program also organizes a number of regional fora to bring national policymakers and technical experts together to share information and best practices.	Customs Operation and Administration	55,001	
		Activity Total TCB for India	55,001	
<b>Biotechnology Patent Examination Training Program</b>	The Trade and Development Agency is providing support to an agricultural and pharmaceutical biotechnology training program for patent examiners in the Patent Office of India, under the Ministry of Commerce and Industry. This training will enhance capacity among Indian patent examiners, while advancing intellectual property protection and facilitating trade in biotechnology.	Trade-Related Agriculture	330,001	
		Activity Total TCB for India	330,001	
<b>CNS/ATM Transition Plan</b>	We recommend that you approve grant funding in the amount of \$503,252 to support a Feasibility Study (FS) for the CNS/ATM Transition Plan (Project) in India. We received a proposal from Innovative Solutions International (ISI) on behalf of the Airports Authority of India (AAI) to complete and augment the scope of work not completed under a previous grant.	Physical Infrastructure Development		503,253
		Activity Total TCB for India		503,253
<b>Cold Chain System Improvement</b>	Technical assistance in support of the US-India Knowledge Initiative on Agricultural Education, Teaching, Research, Service and Commercial Linkages to design and implement cold-chain investments in two to three cities in India. These training programs, eventually leading to cold-chain systems, will increase both US imports of perishable goods as well as provide a means for Indian agricultural goods to trade on the international market.	Trade-Related Agriculture	325,001	389,938
		Physical Infrastructure Development	175,001	209,967
		Activity Total TCB for India	500,001	599,904

<b>Consultations on Intellectual Property Rights - India</b>	The Department of Justice/Criminal Division is supporting consultations on intellectual property rights in Bangalore, India for prosecutors, judges, and law enforcement officials.	Agreement on Trade-Related Aspects of Intellectual Property Rights (TRIPS)		30,001
		Activity Total TCB for India		30,001
<b>Development of Commodity Future Market - India</b>	The activity will strengthen regulation of the commodity futures markets while educating and training commodity futures markets stakeholders, participants and beneficiaries. The program will also address agricultural sector commodity futures market facilitation issues, such as improvements in warehousing, mandi board transparency, and related issues.	Financial Sector Development and Good Governance	1,070,001	
		Activity Total TCB for India	1,070,001	
<b>End Use/End User Training</b>	Promotes border security and customs operations by supporting the ability to enforce export controls.	Customs Operation and Administration	20,001	
		Activity Total TCB for India	20,001	
<b>Financial Institutions Reform and Expansion - Regulatory</b>	The Financial Institutions Reform and Expansion - Regulatory (FIRE-R) program helps the Government of India develop its financial markets, including equity, debt and insurance. This is expected to mobilize household savings to finance long-term development and sustain high rates of economic growth. FIRE-R works closely with the regulatory agencies such as the Securities and Exchange Board of India (SEBI), and the Insurance Regulatory and Development Authority (IRDA). Activities are designed to enhance the confidence of household savers in the Indian financial markets. They develop effective regulatory and supervision frameworks that govern financial markets, promote transparency and sound market conduct practices by market institutions, modernize underlying market systems and infrastructure, and promote widespread financial literacy among investors.	Financial Sector Development and Good Governance	1,450,001	
		Activity Total TCB for India	1,450,001	
<b>Global Labor Union and NGO Strengthening</b>	The Global Labor Union and NGO Strengthening Program has as its main objectives: 1) to promote the adoption and effective enforcement of international core labor standards, 2) to establish legal frameworks to protect and promote civil society, 3) to increase the institutional and financial viability of labor unions and labor NGOs, 4) to strengthen democratic political culture and gender equity, and 5) to enhance the free flow of information and build human capacity through education and training. India Description for 2007: South Asian Research and Development Initiative (SARDI) will continue to work with the central trade union federations such as the Indian National Trade Union Congress (INTUC) and Hind Mazdoor Sabha (HMS), among others, to build their capacity for effective dialogue with stakeholders through coordinating meetings and discussions at the national/regional level. Trade union leaders, including women, will benefit through consultation meetings focusing on emerging chang	Human Resources and Labor Standards		5,001
