

Table 1. Indonesia Trade Capacity Assistance for 2006 and 2007

Activity Title	Activity Description	TCB Category	FY06 Total	FY07 Total
ASEAN-WEN	ASEAN-WEN is a collaborative mechanism by the governments of Southeast Asia for increased law enforcement co-operation in implementing national laws and the Convention on Trade in Endangered Species of Wild Fauna and Flora. The project included trainings for national inter-agency task forces with inputs from other US government agencies. They help to improve local agencies interdictions and prosecutions of crimes relating to protected fauna.	Governance/Transparency and Inter-Agency Coordination		31,251
		Environmental Trade and Standards		93,751
		Activity Total TCB for Indonesia		125,001
Aceh Intermodal Transportation Strategy	The United States Trade and Development Agency is providing technical assistance (TA) to develop a medium-to-long-term intermodal transportation strategy for Aceh Province in Indonesia. This TA would address a growing concern of the Indonesian government on one aspect of its post-tsunami reconstruction effort: the lack of a long-term integrated vision for the transportation network in Aceh. This project would examine all sectors of the transportation network in Aceh, including the road, port, rail and aviation sectors, provide an effective strategy to integrate these various sectors, and recommend new investments.	Physical Infrastructure Development	444,001	
		Activity Total TCB for Indonesia	444,001	
Agribusiness Market and Support Activity (AMARTA)	AMARTA has been designed to assist the Government of Indonesia to promote a robust Indonesian agribusiness system that will significantly contribute to gainful employment, growth and prosperity. AMARTA works with the private sector in demonstrating the development of improved and coordinated agribusiness value chains in 8 high value export commodities. AMARTA assists agribusiness service providers to deliver better assistance to improve productivity & quality at the farmer and SME level.	Trade-Related Agriculture	1,800,001	1,914,969
		Activity Total TCB for Indonesia	1,800,001	1,914,969
Alternative Energy Sector - Biodiesel Processing and Energy Production Plant	\$540,000 was obligated for an integrated biodiesel processing and energy production plant feasibility study in North Sumatra Province in Indonesia. This facility would produce biodiesel from palm oil, a widely available and efficient feedstock, and additionally utilize waste products from the production cycle to generate sufficient energy to power the plant and contribute to the local grid.	Export Promotion		540,001
		Activity Total TCB for Indonesia		540,001
Basic Legal and Regulatory Training	Promotes border security and customs operations by donating equipment to support the ability to operate inspection and detection equipment. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Customs Operation and Administration		25,879
		Activity Total TCB for Indonesia		25,879
Biofuels Sector	Approval of funding of \$189,000 for an Orientation Visit in the biofuels sector for up to eleven government and industry representatives from Indonesia and one Foreign Service National from the U.S. Commercial Service. This OV will address not only the commercial prospects for U.S. involvement in Indonesia's biofuels industry but also underlying policy issues such as energy security, rural development and environmental protection.	Export Promotion		189,001
		Activity Total TCB for Indonesia		189,001

Activity Title	Activity Description	TCB Category	FY06	FY07
			Total	Total
Combating Exploitive Child Labor - Indonesia	Support for educating and assisting children engaged in, or at-risk of entering, the worst forms of child labor. Activities are aligned with current efforts by the Government of Indonesia to design and implement the second phase of its National Plan of Action to Eliminate the Worst Forms of Child Labor.	Human Resources and Labor Standards		5,550,001
		Activity Total TCB for Indonesia		5,550,001
Commodity Identification Training Instructor Training	Promotes border security and customs operations by supporting the ability to carry out a commodity identification program. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Customs Operation and Administration		60,001
		Activity Total TCB for Indonesia		60,001
Control List Gap Analysis/NCL Seminar	Promotes border security and customs operations by conducting a workshop to support the ability to carry out a commodity identification program and/or implement a national control list. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Customs Operation and Administration		87,089
		Activity Total TCB for Indonesia		87,089
Customs Enforcement Training	Promotes border security and customs operations by providing training in licensing procedures for export controls. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Customs Operation and Administration		22,001
		Activity Total TCB for Indonesia		22,001
Data Support for Forestry Management in Indonesia	This project will provide real-time satellite images and information on existing illegal logging operations in hopes that Indonesia will be able to translate that information into improved environmental enforcement capacity. The U.S. National Aeronautical and Space Administration (NASA) will collect and assess the data and provide recommendations to the national governments.	Environmental Trade and Standards	20,001	
		Activity Total TCB for Indonesia	20,001	
Dual Use Control List Workshop in Indonesia	Supports the ability of Indonesia to provide border security and operate its customs effectively by organizing a workshop on dual use control lists. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. The EXBS program takes a regional and multilateral approach, promoting harmonization of national export control systems with international standards and facilitating information-sharing agreements among nations. The program also organizes a number of regional fora to bring national policymakers and technical experts together to share information and best practices.	Customs Operation and Administration	80,001	
		Activity Total TCB for Indonesia	80,001

			FY06 Total	FY07 Total
Activity Title	Activity Description	TCB Category		
Enterprise and Agribusiness Development Activity/Competitiveness Program	Indonesia Enterprise and Agribusiness Development Activity/Competitiveness Program (SENADA) attempts to generate growth, jobs, and income by increasing the competitiveness of at least 5 labor intensive manufacturing industries: furniture, auto parts, garments, home accessories and information and communications technology. SENADA increases competitiveness by strengthening industry value chains and analyzing the key value chain actors.	Competition Policy and Foreign Investment	1,105,326	1,189,823
		Business Services and Training	1,803,426	1,941,289
		Activity Total TCB for Indonesia	2,908,751	3,131,111
Environmental Sector Trade: Forestry Management	The activity supports the application of internal monitoring of sustainable forest management performance at the foreign management unit level. This activity is co-funded with four other donors and the Government of Indonesia itself. Funding amount of \$50,000 shown here is the contribution by the United States alone.	Environmental Trade and Standards	50,001	
		Activity Total TCB for Indonesia	50,001	
Financial Crime Prevention Project (FCPP)	FCPP is a 4-year activity designed to strengthen Indonesia's ability to combat financial crimes. FCPP provides technical assistance to the Financial Intelligence Unit (PPATK), Supreme Audit Commission, the Attorney General's Office, the Corruption Eradication Commission, and the Ministry of Finance - Inspector General Office. FCPP's work aids Indonesia's own efforts to build a more modern legal and institutional framework to detect and prosecute corruption and financial crimes. Indonesia Description for 2007: Indonesia serves as a model in blending a democratic political system with moderate Islamic thought and practice. The government of Indonesia actively pursues the fight against corruption, enhance financial sector soundness, build a better business climate, and improve trade capacity and organizational effectiveness in addressing both domestic & international trade issues. USAID/I assistance programs focus on education, democratic governance, economic growth, health, water, food &	Governance/Transparency and Inter-Agency Coordination	175,939	127,067

		Activity Total TCB for Indonesia	351,876	254,133
Financial Reform in Indonesia	The project provides technical assistance and training as requested from Indonesia to strengthen the Indonesian financial sector. This supplements expert work at an operational level with high-level advice on financial and economic issues to key members of the government, including three successive presidents. The capacity for strategic policy and operational technical assistance, using an extensive network of senior-level volunteers, has delivered practical and timely support. The project has contributed to the development of strategically important institutions, including Bank Indonesia, the Supreme Audit Board, the Capital Market Supervisory Authority (Bapepam), the Deposit Insurance Agency (LPS), PT Sarana Multigriya Financial (SMF), and the new Secondary Mortgage Corporation. Accomplishment: At the request of the Ministry of Finance, provided an independent assessment of the capitalization plan and four-bank consolidation that created Bank Mandiri.	Governance/Transparency and Inter-Agency Coordination	30,001	
		Financial Sector Development and Good Governance	30,001
