

Table 1. Iraq Trade Capacity Assistance for 2006 and 2007

Activity Title	Activity Description	TCB Category	FY06 Total	FY07 Total
Animal Health	This national program will include the development of animal health surveillance systems, preparedness and response plans, a national database including spatial components, a risk assessment unit, and an epidemiological team to utilize analytical tools for determining the effectiveness of control measures. This control program then can be used as a model for other nationally and internationally important animal and zoonotic diseases. Iraq Description for 2007: The US Department of Agriculture (USDA) is providing technical assistance to establish a national animal health surveillance and control program in Iraq.	Trade- Related Agriculture		125,001
		Agreement on Sanitary and Phyto- Sanitary Measures (SPS)		125,001
		Activity Total TCB for Iraq		250,001
Business Registry - Iraq	As part of the USAID-funded Economic Governance II Project to help in economic reconstruction and policy reform in Iraq, technical assistance is being provided to promote a new registration system for businesses in Iraq. Through ongoing consulting and technical assistance, USAID recently achieved harmonization of the business registration process in Erbil and Sulaimaniyah through compliance with the Law of Companies (2004).	Business Services and Training	2,315,899	41,001
		Activity Total TCB for Iraq	2,315,899	41,001
Customs Reform for Trade Improvements - Iraq	The activity assists the government of Iraq in developing customs reforms that are necessary in rebuilding the economic infrastructure in Iraq. A modern customs service, also capable of meeting the international standards of the World Trade Organization (WTO) and World Customs Organization (WCO), is essential to sustained revenue collection of Iraq and international trade management.	Customs Operation and Administration	1,453,335	
		Activity Total TCB for Iraq	1,453,335	
MMS-Iraq Ministry of Oil Technical and Regulatory Assistance	In FY2007 MMS was funded by the U.S. State Department to provide technical and programmatic assistance to our counterpart agency in the Government of Iraq; namely, the Ministry of Oil. Assistance to be conducted will range from tendering, resource evaluation, economic modeling, field management/inspection, and revenue management. In FY2008 this funding was increased by \$510,000 from the original level of \$950,000.	Other TCB		950,001
		Activity Total TCB for Iraq		950,001
NIST Standards in Trade Workshop Standards and Codes for the Iraqi Construction Sector	A one week Standards in Trade workshop for the Iraqi construction sector in July, 2006. The workshop brought together 20 participants who are considered key people in Iraq representing standards development, product certification, and installation enforcement related to building and fire safety codes. U.S. participants included representatives from the National Institute of Standards and Technology (NIST), industry associations, and private sector companies. Objectives of the workshop were to (1) discuss the role of standards, codes, and best practices that address fire protection, physical vulnerability, and mitigation, (2) address the role of relevant agencies and organizations with an emphasis on safety, (3) identify technical areas for U.S. - Iraq cooperation, (4) identify possible venues to facilitate such cooperation, and (5) establish contacts and programs, where appropriate.	Physical Infrastructure Development	139,001	
		Activity Total TCB for Iraq	139,001	
Oil Training Program - Human Resources	This human resources training was one of three training sessions designed to improve the technical skills and management capabilities of the Iraqi Oil Ministry, which is responsible for the most significant export industry of Iraq.	Physical Infrastructure Development	500,001	
		Activity Total TCB for Iraq	500,001	
Risk Insurance for Infrastructure Development	The Overseas Private Investment Corporation (OPIC) is providing risk insurance for the provision of river dredges in Iraq.	Physical Infrastructure Development	11,100	
		Activity Total TCB for Iraq	11,100
