Activity Title	Activity Description	TCB Category	FY06 Total	FY07 Total
<b>Competition Policy Training</b>	See the country descriptions below for a discussion of the training programs conducted. Southern Asia ns Description for 2007: As part of a comprehensive technical assistance program on competition policy for the ASEAN nations that the Antitrust Division and the FTC have been providing for several years, DOJ/FTC held a workshop for the Indonesian competition authority, hosted a regional workshop in Vietnam on monopolization, and will be co-hosting a competition policy conference for the ASEAN nations in Vietnam in August.	Competition Policy and Foreign Investment	17,467	21,368
		Activity Total TCB for Southern Asia ns	17,467	21,368
<b>Market Analysis and Capacity Building in South East Asia</b>	The Economic Research Service, part of the U.S. Department of Agriculture, has provided training on market and trade analysis, including techniques for commodity market analysis, access to commercial trade reporting systems, and specialized modeling tools for counterparts in Philippines and Vietnam. Output to date include analyses of poultry and pork sectors in the Philippines, and improved market and information and reporting on these commodities.	Trade-Related Agriculture	70,406	
		Export Promotion	70,406	
		Activity Total TCB for Southern Asia ns	140,811	
<b>Phase II of technical assistance to ASEAN to help develop a coherent competition policy</b>	We assisted ASEAN with special attention to Vietnam to train their staff to apply competition and consumer protective laws effectively and reach out to shareholders.	Competition Policy and Foreign Investment	325,001	296,448
		Activity Total TCB for Southern Asia ns	325,001	296,448
<b>Refineries Modernization - Southern Asia ns</b>	This activity funds an orientation visit (OV) for 10 delegates from Pakistan and Sri Lanka as well as two U.S. embassy representatives to introduce the delegations to appropriate U.S. companies for their respective interests in the refining sector. This OV will help each country to develop energy security.	Export Promotion		92,001
		Environmental Trade and Standards		46,001
		Business Services and Training		92,001
		Activity Total TCB for Southern Asia ns		230,001
<b>Research Child Labor in Carpet Sectors of South Asia</b>	Research and data collection on children working in the carpet industry in India, Nepal, and Pakistan. Given the public attention paid to child labor in the carpet industry, the study will be designed to provide the U.S. Government with reliable and accurate data and information on the incidence and nature of children working in the carpet industry. Research will include all aspects of the supply chain leading up to the production of carpets (i.e.	Human Resources and Labor Standards		3,500,001
