

Table 1. Turkmenistan Trade Capacity Assistance for 2006 and 2007

| Activity Title | Activity Description | TCB Category | FY06 Total | FY07 Total |
|--|--|---|----------------|----------------|
| Agricultural Linkages project | AgLinks is a new award (with project activities starting in September 2007) that aims to develop core agri-businesses in Central Asia that link producers to new, higher-value markets and assist farm organizations to provide institutional and technical support to help farmers meet production and quality demands of these new, high-value markets, while working to reduce policy barriers to agricultural trade. | Trade-Related Agriculture | | 636,560 |
| | | E-commerce Development and Information Technologies | | 79,571 |
| | | Customs Operation and Administration | | 79,571 |
| | | Activity Total TCB for Turkmenistan | | 795,700 |
| Commodity Identification Training Instructor Training | Promotes border security and customs operations by supporting the ability to carry out a commodity identification program. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. | Customs Operation and Administration | 100,001 | |
| | | Activity Total TCB for Turkmenistan | 100,001 | |
| Customs Senior Policy Study Visit | Promotes border security and customs operations by organizing a workshop to support the ability to implement effective laws and regulations for export controls. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. | Customs Operation and Administration | | 95,001 |
| | | Activity Total TCB for Turkmenistan | | 95,001 |
| Dual Use Control Technical Workshop - Turkmenistan | Promotes border security and customs operations by supporting the ability of Turkmenistan to apply a national dual use control list in its export controls. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. The EXBS program takes a regional and multilateral approach, promoting harmonization of national export control systems with international standards and facilitating information-sharing agreements among nations. The program also organizes a number of regional fora to bring national policymakers and technical experts together to share information and best practices. | Customs Operation and Administration | 100,001 | |
| | | Activity Total TCB for Turkmenistan | 100,001 | |
| Export Control Courses and Customs Academy Training | Promotes border security and customs operations by donating equipment to support the ability to operate inspection and detection equipment. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. | Customs Operation and Administration | | 55,001 |
| | | Activity Total TCB for Turkmenistan | | 55,001 |
| Inspection and Detection Equipment | This activity promotes border security and customs operations by supporting the ability to administer an international border interdiction program. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. government to help other countries improve their export control systems. | Customs Operation and Administration | 200,001 | 1,501 |
| | | Activity Total TCB for Turkmenistan | 200,001 | 1,501 |

Table 1. Turkmenistan Trade Capacity Assistance for 2006 and 2007

| Activity Title | Activity Description | TCB Category | FY06 | FY07 |
|--|---|--------------------------------------|-------|----------------|
| | | | Total | Total |
| International Air Cargo Interdiction Training | This activity promotes border security and customs operations by supporting the ability to enforce export controls and operate an international air cargo interdiction system. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. government to help other countries improve their export control systems. | Customs Operation and Administration | | 80,001 |
| | | Activity Total TCB for Turkmenistan | | 80,001 |
| International Rail Interdiction Training (IRIT) | Promotes border security and customs operations by supporting the inspection and interdiction capabilities. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. | Customs Operation and Administration | | 80,001 |
| | | Activity Total TCB for Turkmenistan | | 80,001 |
| Licensing Organization and Mechanics Workshop | Promotes border security and customs operations by organizing a workshop to support the ability to implement effective laws and regulations for export controls. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. | Customs Operation and Administration | | 13,501 |
| | | Activity Total TCB for Turkmenistan | | 13,501 |
| Licensing Procedures and Practices Training | This activity promotes border security and customs operations by supporting the ability to implement a national control list for export controls. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. government to help other countries improve their export control systems. | Customs Operation and Administration | | 13,501 |
| | | Activity Total TCB for Turkmenistan | | 13,501 |
| Model Law and Regulations Workshop | Promotes border security and customs operations by supporting the ability to enforce export controls and operate an international air cargo interdiction system. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. | Customs Operation and Administration | | 65,001 |
| | | Activity Total TCB for Turkmenistan | | 65,001 |
| Natural Gas Sector - Turkmenistan | The grant funds an 8-day Orientation Visit for five Turkmenistan officials and one U.S. Embassy official to familiarize the Turkmen government with U.S. natural gas production and U.S. companies involved with such production. Turkmenistan has vast reserves of natural gas, but after a recent opening of the export market, Russia has secured much of the exports. The U.S. is interested in developing alternate routes for the exports. Potential development benefits are infrastructure development. | Physical Infrastructure Development | | 161,768 |
| | | Activity Total TCB for Turkmenistan | | 161,768 |
| Targeting and Risk Management Training | Promotes border security and customs operations by providing training on targeting and risk management. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. | Customs Operation and Administration | | 20,001 |
| | | Activity Total TCB for Turkmenistan | | 20,001 |
| WMD Commodity Identification Training | Promotes border security and customs operations by organizing a workshop to support the ability to implement effective laws and regulations for export controls. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. | Other Trade Facilitation | | 190,001 |
| | | Activity Total TCB for Turkmenistan | | 190,001 |
