

Table 1. Vietnam Trade Capacity Assistance for 2006 and 2007

Activity Title	Activity Description	TCB Category	FY06 Total	FY07 Total
APEC Demonstration Project - eManifest Pilot Project	The technical assistance provided by this activity will help the General Department of Customs for Vietnam to improve the system of processing shipments, and trade and transportation security. This assistance will review the current customs environment in Vietnam with the aim of establishing an eManifest/pre-clearance system where shipments can be cleared in advance. Streamlining this process will provide benefits to shippers, customers, and the Government of Vietnam, and substantially promote the mandates for customs modernization set forth in the Asia-Pacific Economic Cooperation (APEC) Framework.	Customs Operation and Administration	601,894	
		Activity Total TCB for Vietnam	601,894	
Advanced Licensing Training	Promotes border security and customs operations by supporting the ability to implement a national control list for export controls. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Customs Operation and Administration		81,701
		Activity Total TCB for Vietnam		81,701
CAAV Aviation Safety - Phase I	The technical assistance provided by this activity will help the Civil Aviation Administration of Vietnam (CAAV) make improvements to the air safety regulatory system of Vietnam, with the goal of gaining Category I status under the International Aviation Safety Assessment Program of the Federal Aviation Administration. Obtaining Category I status would permit direct access by Vietnam Airlines to the U.S. and promote greater investments by U.S. airlines and other aviation organizations in the growing air services market of Vietnam, as well as facilitating trade between the two countries by lowering transaction costs. It would also create ongoing partnerships that could lead to continual air safety improvement initiatives.	Physical Infrastructure Development	245,961	
		Governance/Transparency and Inter-Agency Coordination	105,413	
		Activity Total TCB for Vietnam	351,373	
Commodity Identification Training Instructor Training	Promotes border security and customs operations by supporting the ability to carry out a commodity identification program. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Customs Operation and Administration	70,001	
		Activity Total TCB for Vietnam	70,001	
Counterproliferation Investigations Training	Promotes border security and customs operations by supporting the ability to implement counterproliferation investigations for export controls. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Customs Operation and Administration		70,001
		Activity Total TCB for Vietnam		70,001
Customs Cooperation and Trade Facilitation	This Customs Cooperation and Trade Facilitation orientation visit (OV) that would bring a senior customs, finance and provincial government delegation from the General Department of Vietnam Customs to the United States. This activity will support Vietnam Customs as they modernize customs operations nationally under the APEC Safe and Secure Trade Framework, World Trade Organization obligations related to efficient trade, and World Bank loan funding dedicated to customs modernization.	Other TCB		173,399
		Activity Total TCB for Vietnam		173,399

Table 1. Vietnam Trade Capacity Assistance for 2006 and 2007

Activity Title	Activity Description	TCB Category	FY06 Total	FY07 Total
ECAP/USPTO Program - Vietnam	The European Commission Assistance Program (ECAP) and USPTO held a program from April 2-6, 2007 in Vietnam: a joint training program for Vietnamese customs officers on intellectual property rights border enforcement measures. This program indirectly supported the U.S. - Vietnam Bilateral Trade Agreement.	Agreement on Trade-Related Aspects of Intellectual Property Rights (TRIPS)		35,731
		Activity Total TCB for Vietnam		35,731
Embassy Science Fellowship - Vietnam	Support for Embassy Science Fellowship to assist Vietnam.	Trade-Related Agriculture	1,233	
		Activity Total TCB for Vietnam	1,233	
Financial Sector IT-State Capital Investment Corporation	The State Capital Investment Corporation (SCIC) of Vietnam is receiving a grant from the U.S. Agency for Trade and Development to fund a feasibility study to identify the information technology requirements for the financial management systems of SCIC. SCIC manages 500 state-owned enterprises, and the number is expected to increase to 800 by the end of the year.	Financial Sector Development and Good Governance		317,451
		E-commerce Development and Information Technologies		136,051
		Activity Total TCB for Vietnam		453,501
IPR Enforcement Workshop - Vietnam	On April 3-6 a program was conducted in Hanoi, Vietnam focused on criminal enforcement of intellectual property rights (IPR) with the Vietnamese Supreme People's Procuracy, the U.S. Patent and Trademark Office, and USAID. Department of Justice (DOJ) prosecutors presented an overall model for a national IPR enforcement strategy for prosecutors. The DOJ prosecutors also suggested some practical tips in prosecuting IPR crimes under Vietnamese laws.	Agreement on Trade-Related Aspects of Intellectual Property Rights (TRIPS)		1,001
		Activity Total TCB for Vietnam		1,001
Inspection and Detection Equipment	This activity promotes border security and customs operations by supporting the ability to administer an international border interdiction program. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. government to help other countries improve their export control systems.	Customs Operation and Administration	170,001	278,101
		Activity Total TCB for Vietnam	170,001	278,101
International Seaport Interdiction Training	This activity promotes border security and customs operations by supporting the ability to implement an international seaport interdiction system. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. government to help other countries improve their export control systems.	Customs Operation and Administration		25,001
		Activity Total TCB for Vietnam		25,001
Legal and Regulatory Training	This activity promotes border security and customs operations by organizing a workshop to support the ability to implement effective laws and regulations for export controls. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. government to help other countries improve their export control systems.	Customs Operation and Administration		72,721
		Activity Total TCB for Vietnam		72,721
Maritime Inspection / Detection Equipment - Vietnam	Funding for equipment and training. Promotes border security and customs operations by supporting the ability of Vietnam to utilize inspection and detection equipment for maritime export controls. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems. The EXBS program takes a regional and multilateral approach, promoting harmonization of national export control systems with international standards and facilitating information-sharing agreements among nations. The program also organizes a number of regional fora to bring national policymakers and technical experts together to share information and best practices.	Customs Operation and Administration	150,001

Support for Trade Acceleration (STAR)- Vietnam	This activity supports Vietnam in implementing trade and investment-related reforms. The success of the reforms allows Vietnam to meet many of its commitments under the Bilateral Trade Agreement (BTA) and move Vietnam towards accession to the WTO. STAR supports activities and reforms by Vietnamese organizations in aspects of trade and investment liberalization contained in the BTA and as summarized in the BTA commitment roadmap. Support for Trade Acceleration has been the technical assistance to help implement the US-Vietnam BTA and accession to the WTO. The project has improved US-Vietnam trade relations through dialogue and study missions between policymakers, lawmakers, commercial entities and business leaders and by developing BTA implementation and WTO accession roadmaps for required reforms. The success of STAR has shown that such technical assistance can lead to economic and relationship benefits which are beneficial to Vietnam and the US.
