

Table 1. Western Africa ns Trade Capacity Assistance for 2006 and 2007

Activity Title	Activity Description	TCB Category	FY06	FY07
			Total	Total
APHIS Plant Health Advisor Posted at Trade Hub	This activity supports the placement of a plant health systems advisor from the Animal and Plant Health Inspection Service (APHIS), an office of the U.S. Department of Agriculture, at a trade hub in eastern Africa to assist countries in conducting phytosanitary capacity development for plant products potentially destined for U.S. markets, including assisting with pest risk assessments.	Trade- Related Agriculture	207,055	
		Activity Total TCB for Western Africa ns	207,055	
Access to Credit Program in Western Africa	This project aims to build a model for improved relationships between West African commercial banks and small- to- medium enterprises (SMEs), particularly export- ready companies, in order to increase access to credit. Export- ready companies, identified in conjunction with the Trade Hubs, will be trained to provide adequate financial information while bankers will be trained to better understand lending in the non- traditional sectors in their economies.	Business Services and Training		200,001
		Activity Total TCB for Western Africa ns		200,001
Common External Tariff (CET)	The Common External Tariff (CET) project provides technical assistance to the 15- member Economic Community of West African States (ECOWAS) to help member states implement the CET, an effort to set up one set of tariffs for all products entering the region, along with a well- functioning free trade area within those 15 countries.	Regional Trade Agreements (RTA)		500,001
		Activity Total TCB for Western Africa ns		500,001
Economic Community of West African States (ECOWAS) - Customs Union and Common External	This project will follow- on to the successful ECOTrade project that provides capacity building to the Economic Community of West African States (ECOWAS) to fully implement a common external tariff and customs union.	Regional Trade Agreements (RTA)	450,001	
		Activity Total TCB for Western Africa ns	450,001	
Market Information Systems and Traders Organizations in West Africa	This project seeks to enhance economic growth in West Africa by increasing trade in agricultural commodities through strengthening market information systems and regional producer organizations. The Market Information Systems and Traders Organizations in West Africa (MISTOWA) helps train regional traders and producer associations to provide accurate, timely market information, and to use technology to grow their businesses.	Trade- Related Agriculture	1,222,355	
		E- commerce Development and Information Technologies	814,904	522,718
		Business Services and Training		522,718
		Activity Total TCB for Western Africa ns	2,037,258	1,045,435
Mission Support Costs to Trade Capacity Building	This activity provides appropriate supervision and technical assistance and support to trade capacity building activities in West Africa.	WTO Awareness	11,768	
		Trade- Related Agriculture	158,859	
		Physical Infrastructure Development	17,652	
		Other Trade Facilitation	111,790	
		Other Services Development	58,837	
		Export Promotion	52,954	
		E- commerce Development and Information Technologies	105,906	
		Business Services and Training	58,837

Table 1. Western Africa ns Trade Capacity Assistance for 2006 and 2007

Activity Title	Activity Description	TCB Category	FY06	FY07
			Total	Total
Mission Support Costs to Trade Capacity Building	This activity provides appropriate supervision and technical assistance and support to trade capacity building activities in West Africa.	Agreement on Sanitary and Phyto-Sanitary Measures (SPS)	11,768	
		Activity Total TCB for Western Africa ns	588,363	
Support for Business Training and Services	USAID is providing funding to support business training and services, and an African Growth and Opportunity Act (AGOA) Forum for the Western Africa region.	Business Services and Training		452,052
		Activity Total TCB for Western Africa ns		452,052
Technical Assistance: Financial Enforcement - Western Africa ns	Assistance to the Inter-Governmental Action Group Against Money Laundering and Terrorist Financing in West Africa (GIABA) Secretariat, which recently was recognized by the Financial Action Task Force, to improve its operational efficiency and technical assistance to member countries in the region, and to further integrate and coordinate with international donor organizations in providing anti-money laundering and countering the financing of terrorism (AML/CTF) assistance in the region.	Governance/Transparency and Inter-Agency Coordination		277,376
		Activity Total TCB for Western Africa ns		277,376
Telecommunications Infrastructure Program	This activity aims to strengthen the West African Telecommunications Regulators Association (WATRA) in order to form a common telecommunications market. USAID/West Africa expects it will be possible, for example, for cellular telephone companies to incorporate in a single country and then operate anywhere within the subregion as a single business, rather than having to incorporate as separate businesses in each country of operation.	Physical Infrastructure Development		350,001
		E-commerce Development and Information Technologies	100,001	
		Activity Total TCB for Western Africa ns	100,001	350,001
WMD Commodity Identification Training	Promotes border security and customs operations by organizing a workshop to support the ability to implement effective laws and regulations for export controls. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Other Trade Facilitation		18,751
		Activity Total TCB for Western Africa ns		18,751
West Africa Cotton	Activity is in support of the West Africa Cotton Improvement Program.	Trade-Related Agriculture		45,001
		Activity Total TCB for Western Africa ns		45,001
West Africa Gas Pipeline (WAGP)	The West Africa Gas Pipeline project will deliver natural gas from Nigeria to markets in Ghana, Benin and Togo, reducing flaring, providing access to cheaper and cleaner energy and supporting economic growth in the region. USAID/West Africa supports this effort by assisting the member states of the Economic Community of West African States to harmonize rules and regulations, negotiate with private developers, create an enabling environment, and understand the major issues.	Physical Infrastructure Development	1,093,005	100,001
		Business Services and Training		100,001
		Activity Total TCB for Western Africa ns	1,093,005	200,001

Activity Title	Activity Description	TCB Category	FY06 Total	FY07 Total
West Africa Power Pool (WAPP)	West Africa Power Pool (WAPP) is a framework for regional trade in electricity among Economic Community Of West African States (ECOWAS) member states that seeks to promote investment in the West African energy sector. Support activities include: technical and management assistance to national utilities and energy ministries, building regional regulatory capacity, and optimizing energy investment plans.	Physical Infrastructure Development	760,577	2,225,001
		Activity Total TCB for Western Africa ns	760,577	2,225,001
West Africa Program Objective Support Costs	USAID/West Africa provides funding to support the West African Regional Program objectives.	Regional Trade Agreements (RTA)		105,092
		Physical Infrastructure Development		262,729
		Export Promotion		157,638
		E - commerce Development and Information Technologies		52,547
		Customs Operation and Administration		157,638
		Business Services and Training		315,274
		Activity Total TCB for Western Africa ns		1,050,912
West Africa Seed Alliance	In support of the West African Seed Alliance, an initiative whose goals is to establish a commercial seed industry that ensures an affordable seed supply for small- scale farmers and creating farm revenues for local economies seeking export markets.	Agreement on Agriculture		500,001
		Activity Total TCB for Western Africa ns		500,001
West Africa Trade Hub/Accra and West Africa Trade Hub/Dakar (WATH)	The Trade Hubs supports West African businesses, governments, and other organizations to improve the capacity for global trade, particularly with respect to the Africa Growth and Opportunity Act (AGOA). Two Trade Hubs—the main office in Accra and a satellite Hub in Dakar, provide support for policy reform in the business environment, conduct firm-level interventions to build competitiveness and market linkages, and provide AGOA support services to 21 countries in the region.	WTO Awareness	355,881	
		Regional Trade Agreements (RTA)		485,678
		Other Trade Facilitation	3,202,924
