Intellectual Property Foreign Criminal Enforcement Training and Technical Assistance	This spending responds to a Congressional soft earmark directing the Department (INL) to fill a gap in govt-to-govt criminal enforcement training to build capacity of foreign law enforcement to cooperate with the USG in combating IPR theft. The earmark has been put in annually at the instance of key US industry rights holders who believe strong government-to-government involvement in training was a 'missing link' that needed to be filled to counter increasingly sophisticated transnational crime. Asia ns Description for 2008: Asian Intellectual Property Enforcement Network \$150,000 As follow-up to the highly successful inaugural IPCEN conference in 2007, DOJ will hold another conference to focus on improving real-time enforcement cooperation across borders through establishment of points of contact.
