

Table 1. Bangladesh Trade Capacity Assistance for 2007 and 2008

Activity Title	Activity Description	TCB Category	FY07	FY08
			Total	Total
Basic Legal and Regulatory Model Law Workshop	Promotes border security and customs operations by organizing a workshop to support the ability to implement effective laws and regulations for export controls. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Customs Operation and Administration	114,803	
		Activity Total TCB for Bangladesh	114,803	
Best Practices for Border Management Training	Promotes border security and customs operations by donating equipment to support the ability to operate inspection and detection equipment. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Customs Operation and Administration		65,001
		Activity Total TCB for Bangladesh		65,001
Biotechnology Regulatory Development Assistance	Regulation of agricultural biotechnology has implications for environmental and human health safety as well as agricultural trade. This activity provides a global platform for technical assistance to developing countries in Asia and Africa to develop and implement biosafety regulatory policies and practices. Bangladesh Description for 2008: This activity is supporting the development of regulatory systems for agricultural biotechnology in Bangladesh. The project will build regulatory capacity and biosafety expertise. The project will also facilitate the adoption of comprehensive biosafety regulations. These are necessary to allow import and trade of biotech foods and new agricultural technologies and seeds.	Environmental Trade and Standards		111,298
		Activity Total TCB for Bangladesh		111,298
International Border Interdiction Training	This activity promotes border security and customs operations by supporting the ability to administer an international border interdiction program. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. government to help other countries improve their export control systems.	Customs Operation and Administration		76,807
		Activity Total TCB for Bangladesh		76,807
National Control List Workshop	Promotes border security and customs operations by supporting the ability to implement a national control list for export controls. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Customs Operation and Administration	84,578	
		Activity Total TCB for Bangladesh	84,578	
Poverty Reduction by Increasing the Competitiveness of Enterprises (PRICE)	PRICE works with small/medium businesses by supporting equitable growth throughout the aquaculture, horticulture, leather value chains. Women and young entrepreneurs are a focus. PRICE develops business support services that help enhance products for export and reduce barriers to trade. Current activities: social and quality compliance for aquaculture products to meet standards for export to the US and EU, assisting leather products manufacturers in designing new products for the export market.	Human Resources and Labor Standards		115,001
		Business Services and Training		200,001
		Activity Total TCB for Bangladesh		315,001
