<b>Environmental Capacity Building for CAFTA-DR</b>	EPA works as an implementation partner with USAID on environmental capacity building within the CAFTA-DR region in accordance with the priorities outlined in the CAFTA-DR ECA. EPA works to: strengthen countries' environmental management systems, including strengthening institutional and legal frameworks; increase compliance and implementation of Multilateral Environmental Agreements; and help countries develop and enforce environmental laws, regulations, and policies. Dominican Republic Description for 2008: This is for work with the 6 non-U.S. partners in the CAFTA-DR Free Trade Agreement: Costa Rica, Dominican Republic, El Salvador, Guatemala, Honduras, and Nicaragua. This program is implemented on a regional, not bilateral, basis.	Governance/Transparency and Inter-Agency Coordination		162,001

<b>Environmental Policy Compliance</b>	The main objectives of this activity are: to advance environmental law enforcement for increased competitiveness to achieve communal economic growth, and promote sustainable use and protection of natural resources - the base of the Dominican economy - through environmental protection in poor communities. Dominican Republic Description for 2008: The protection of the Dominican natural resource base is critical to its future growth and sustainable development. Tourism, which accounts for nearly one fourth of the country's GDP, is linked to a diverse environment and a network of unique national parks and protected areas. Human health, as well as agriculture and industry, are highly dependent on clean air and water, both of which are rapidly dwindling.	Environmental Trade and Standards	2,171,045	2,417,988

<b>Public-Private Partnerships in Tourism</b>	The ultimate goal of the USAID Dominican Sustainable Tourism Alliance (USAID/DSTA) is to better equip and strengthen local small, medium-sized and community based tourism enterprises, and relevant tourism entities (most notably the existing tourism clusters) to independently sustain efforts once external funding from USAID/DR is removed. This will be best achieved through continued public-private collaboration and outreach to new development partners at the national, regional, and global levels. Dominican Republic Description for 2008: Tourism in the DR accounts for nearly a quarter of GDP and provides some 500,000 jobs and \$4 billion in revenue. USAID/DR initiated a new sustainable tourism program that will improve the capacity of small and medium-sized businesses to benefit from the domestic and international Dominican tourist markets through increased productivity and competitiveness.
