

Table 1. India Trade Capacity Assistance for 2007 and 2008

Activity Title	Activity Description	TCB Category	FY07	FY08
			Total	Total
<b>Access to Finance</b>	India must invest \$330 billion in infrastructure over the next five years to sustain growth and reduce poverty. The Government of India (GOI) has made Public Private Partnerships (PPPs) the centerpiece of infrastructure development. Yet, capacity at the state and local level to manage PPPs is limited. India needs help creating a process in trade and investment for a sustainable approach to promoting economic growth.	Financial Sector Development and Good Governance	49,961	
		Activity Total TCB for India	49,961	
<b>Air Traffic Flow Management Seminar</b>	\$23,786 was awarded for a reimbursable agreement with the Federal Aviation Administration (FAA) to provide transportation, lodging and M&IE for up to four FAA officials to participate in the Air Traffic Flow Management (ATFM) Seminar in India (USTDA 2008-31044A). USTDA has contracted with Elan International, LLC (Elan) to provide the logistical arrangements for the seminar, as well as transportation, lodging and MandIE for eight USTDA-sponsored speakers.	Physical Infrastructure Development		23,787
		Activity Total TCB for India		23,787
<b>CNS/ATM Transition Plan</b>	We recommend that you approve grant funding in the amount of \$503,252 to support a Feasibility Study (FS) for the CNS/ATM Transition Plan (Project) in India. We received a proposal from Innovative Solutions International (ISI) on behalf of the Airports Authority of India (AAI) to complete and augment the scope of work not completed under a previous grant.	Physical Infrastructure Development	503,253	
		Activity Total TCB for India	503,253	
<b>Cold Chain System Improvement</b>	Technical assistance in support of the US-India Knowledge Initiative on Agricultural Education, Teaching, Research, Service and Commercial Linkages to design and implement cold-chain investments in two to three cities in India. These training programs, eventually leading to cold-chain systems, will increase both US imports of perishable goods as well as provide a means for Indian agricultural goods to trade on the international market.	Trade-Related Agriculture	389,938	
		Physical Infrastructure Development	209,967	
		Activity Total TCB for India	599,904	
<b>Combating Exploitive Child Labor - India</b>	Program to remove children from child labor and provide educational opportunities.	Human Resources and Labor Standards		6,850,001
		Activity Total TCB for India		6,850,001
<b>Competition Policy Training</b>	See the country descriptions below for a discussion of the training programs conducted.	Competition Policy and Foreign Investment	8,240	
		Activity Total TCB for India	8,240	
<b>Consultations on Intellectual Property Rights - India</b>	The Department of Justice/Criminal Division is supporting consultations on intellectual property rights in Bangalore, India for prosecutors, judges, and law enforcement officials.	Agreement on Trade-Related Aspects of Intellectual Property Rights (TRIPS)	30,001	
		Activity Total TCB for India	30,001

Activity Title	Activity Description	TCB Category	FY07	FY08
			Total	Total
<b>Export Control Academy Training</b>	Promotes border security and customs operations by donating equipment to support the ability to operate inspection and detection equipment. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Customs Operation and Administration		100,001
		Activity Total TCB for India		100,001
<b>Global Labor Union and NGO Strengthening</b>	The Global Labor Union and NGO Strengthening Program has as its main objectives: 1) to promote the adoption and effective enforcement of international core labor standards, 2) to establish legal frameworks to protect and promote civil society, 3) to increase the institutional and financial viability of labor unions and labor NGOs, 4) to strengthen democratic political culture and gender equity, and 5) to enhance the free flow of information and build human capacity through education and training.	Human Resources and Labor Standards	5,001	
		Activity Total TCB for India	5,001	
<b>Government/Industry Outreach</b>	Promotes border security and customs operations by supporting the ability to implement a national control list for export controls. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Customs Operation and Administration		125,001
		Activity Total TCB for India		125,001
<b>India Entrepreneurship Program</b>	The International Trade Administration, Market Access and Compliance, provided funding for an entrepreneurship program in New Delhi, India to support entrepreneurial growth and trade by providing the Indian private sector with tools and resources for building successful businesses.	Business Services and Training		30,001
		Activity Total TCB for India		30,001
<b>Indian Supreme Court and Delhi High Court Alternative Dispute Resolution and IPRs</b>	October 15-19, 2007 ISDLS and the DOJ hosted a delegation of four Indian Supreme Court and Delhi High Court Justices to secure approval for India's first criminal IP fast track in the Delhi lower courts and to initiate assignments for an in-country March IPR seminar held for Indian judiciary. The purpose of the visit was to allow the Justices to see firsthand the functioning of civil and criminal fast track processes and to work with U.S. experts on the formulation of equivalent programs.	Agreement on Trade-Related Aspects of Intellectual Property Rights (TRIPS)		53,838
		Activity Total TCB for India		53,838
<b>Inspection and Detection Equipment</b>	This activity promotes border security and customs operations by supporting the ability to administer an international border interdiction program. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. government to help other countries improve their export control systems.	Customs Operation and Administration	121,881	
		Activity Total TCB for India	121,881	
<b>Intellectual Property Foreign Criminal Enforcement Training and Technical Assistance</b>	This spending responds to a Congressional soft earmark directing the Department (INL) to fill a gap in govt-to-govt criminal enforcement training to build capacity of foreign law enforcement to cooperate with the USG in combating IPR theft. The earmark has been put in annually at the instance of key US industry rights holders who believe strong government-to-government involvement in training was a 'missing link' that needed to be filled to counter increasingly sophisticated transnational crime. India Description for 2008: India \$250,000 Reinforcement of ongoing DOJ and PTO training to improve the IPR criminal enforcement capacity of India, with a focus on the judges of the New Delhi and Bangalore High Courts.	Other TCB		250,001
		Activity Total TCB for India		250,001

<b>Norman E. Borlaug International Agricultural Science and Technology Fellowship Program</b>	The Borlaug Fellowship Program helps developing and middle-income countries strengthen their agricultural trade and scientific capacity by providing short-term scientific training and collaborative research programs to entry-level scientists, policymakers and university faculty. The program helps build capacity and market access for sustainable and competitive agricultural sectors by promoting the adoption of sound regulatory and food safety policies and new technologies. India Description for 2008: In support of the India Agricultural Knowledge Initiative (AKI), this program was designed to promote science and technology to create a sound regulatory environment that promotes investment and trade. Training and research opportunities are provided at U.S. land grant universities to Indian agricultural scientists, policymakers and university faculty in agro-processing, marketing, food safety and biotechnology.
