Activity Title	Activity Description	TCB Category	FY07 Total	FY08 Total
<b>ASEAN-WEN</b>	ASEAN-WEN is a collaborative mechanism by the governments of Southeast Asia for increased law enforcement co-operation in implementing national laws and the Convention on Trade in Endangered Species of Wild Fauna and Flora. The project included trainings for national inter-agency task forces with inputs from other US government agencies. They help to improve local agencies interdictions and prosecutions of crimes relating to protected fauna.	Governance/Transparency and Inter-Agency Coordination	31,251	181,831
		Environmental Trade and Standards	93,751	
		Activity Total TCB for Indonesia	125,001	181,831
<b>Agribusiness Market and Support Activity (AMARTA)</b>	AMARTA has been designed to assist the Government of Indonesia to promote a robust Indonesian agribusiness system that will significantly contribute to gainful employment, growth and prosperity. AMARTA focuses on concentrating its efforts to improving productivity and market of and policy reform for horticulture, coffee and cocoa, and enhancing the livelihoods of Papuan farmers. Indonesia Description for 2008: Indonesia serves as a model in blending a democratic political system with moderate Islamic thought and practice. The government of Indonesia actively pursues the fight against corruption, enhance financial sector soundness, build a better business climate, and improve trade capacity and organizational effectiveness in addressing both domestic & international trade issues. USAID/I assistance programs focus on education, democratic governance, economic growth, health, water, food & environment.	Trade-Related Agriculture	1,914,969	4,334,578
		Activity Total TCB for Indonesia	1,914,969	4,334,578
<b>Alternative Energy Sector - Biodiesel Processing and Energy Production Plant</b>	\$540,000 was obligated for an integrated biodiesel processing and energy production plant feasibility study in North Sumatra Province in Indonesia. This facility would produce biodiesel from palm oil, a widely available and efficient feedstock, and additionally utilize waste products from the production cycle to generate sufficient energy to power the plant and contribute to the local grid.	Export Promotion	540,001	
		Activity Total TCB for Indonesia	540,001	
<b>Basic Legal and Regulatory Training</b>	Promotes border security and customs operations by donating equipment to support the ability to operate inspection and detection equipment. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Customs Operation and Administration	25,879	
		Activity Total TCB for Indonesia	25,879	
<b>Biofuels Sector</b>	Approval of funding of \$189,000 for an Orientation Visit in the biofuels sector for up to eleven government and industry representatives from Indonesia and one Foreign Service National from the U.S. Commercial Service. This OV will address not only the commercial prospects for U.S. involvement in Indonesia's biofuels industry but also underlying policy issues such as energy security, rural development and environmental protection.	Export Promotion	189,001	
		Activity Total TCB for Indonesia	189,001	
<b>Combating Exploitive Child Labor - Indonesia</b>	Support for educating and assisting children engaged in, or at-risk of entering, the worst forms of child labor. Activities are aligned with current efforts by the Government of Indonesia to design and implement the second phase of its National Plan of Action to Eliminate the Worst Forms of Child Labor.	Human Resources and Labor Standards	5,550,001	
		Activity Total TCB for Indonesia	5,550,001
