Activity Title	Activity Description	TCB Category	FY07 Total	FY08 Total
Protected Areas and Rural Enterprise Project	Tourism Sector Development/Agriculture: Under this component, technical assistance and capacity building is given to community based tourism operators with a view towards improving the quality of their goods and services and increasing their competitiveness while preserving the environment. Areas include parks, trails and heritage sites. PARE also conducted an assessment of the cocoa sector with a view towards its revitalization and ultimately increased production and exports. Jamaica Description for 2008: Located on the U.S.'s third border, Jamaica's interaction with our country is deep and continuous. About 1.5 million people of Jamaican extraction live in the United States, more than half of Jamaica's current population. Three million people travel between our two countries per year, including over two million U.S. citizens traveling to Jamaica. The Mission protects and serves more than 3.5 million U.S. citizen visiting Jamaica and the Cayman Islands annually.	Trade-Related Agriculture		150,001
