<b>Air Traffic Management System-Advanced Modernization Program</b>	LGS seeks USDA support to begin an overhaul of the airport's navigation and communications infrastructure. LGS plans to do this via a comprehensive ATC upgrade, which entails construction of a new regional control center in Riga and a new ATC tower equipped with modern ATM systems. In addition, LGS proposes to launch a program of ongoing modernizations that will maintain or replace outdated equipment on a regular basis.	Tourism Sector Development		<b>172,544</b>
