Activity Title	Activity Description	TCB Category	FY07 Total	FY08 Total
1890 University Biotechnology in Africa	Grants are provided to 1890s Universities for biotech research projects in Africa. The FAS, the 1890 US land-grant institutions and Tuskegee University partnership for agricultural biotechnology focuses on two objectives in African countries where governments have requested U.S. assistance: (1) providing information that is scientifically accurate and appropriately designed for decision-makers and the general public and (2) facilitating biotechnology delivery pathways to African farmers.	Trade-Related Agriculture	200,001	
		Activity Total TCB for Sub Saharan Africa ns	200,001	
AGCI - Financial Sector - Africa Entrepreneur Facility	A critical gap for African small and medium-sized enterprises (SME) is gaining access to debt and equity financing and acquiring the technical skills to compete in regional/international markets. To meet this need, the USG has established the AEF as a public-private sector program to unleash African SMEs and growing micro entrepreneurs. The overall goal of the AEF is to facilitate SME access to equity investments, loan guarantees, and technical assistance to develop bankable projects.	Financial Sector Development and Good Governance		765,001
		Activity Total TCB for Sub Saharan Africa ns		765,001
AGCI - Financial Sector - Bankworld	Most countries do not have functioning financial systems, with interventions typically requiring rapid, short-term problem solving support a. Bankworld is the only 8(a) firm to be certified as qualified for high level financial sector work through the SEGIR Financial Sector BPA selection process. This contract will enable USAID to respond rapidly to host country requests for assistance that could not be anticipated years in advance, so are not in established Mission Operating Plans.	Financial Sector Development and Good Governance		1,508,001
		Activity Total TCB for Sub Saharan Africa ns		1,508,001
AGCI - Financial Sector - International Real Property Foundation	This Africa Global Competitiveness Initiative funded cooperative agreement with the International Real Property Foundation (IRPF) aims to improve the certainty of value of real estate as collateral through real estate market development across sub-Saharan Africa.	Financial Sector Development and Good Governance	700,001	
		Activity Total TCB for Sub Saharan Africa ns	700,001	
AGCI - Infrastructure - African Infrastructure Program	AIP will focus on the power and transmission sectors through support to: 1) late-stage transactions (to increase the number of projects that are brought to financial closure), 2) SSA's four regional power pools, through the provision of longer-term enabling environment support (development of cost recovering tariffs, regulatory reforms, and measures to attract additional private investment, and 3) other efforts to strengthen energy sector institutions and provide services to urban/rural poor.	Physical Infrastructure Development		5,525,001
		Activity Total TCB for Sub Saharan Africa ns		5,525,001
AGCI - Infrastructure - IPR Capacity Building Technical Assistance for SSA	The overall mission of AGCI is to promote the export competitiveness of sub-Saharan Africa enterprises in order to expand African trade. This mission is to be achieved through a number of objectives, such as improving the business and regulatory environment for private sector-led trade and investment. One of the key factors to improving the business and regulatory environment for trade and investment is to strengthen intellectual property protection.	Other TCB	187,501	125,001
