

Table 1. Bangladesh Trade Capacity Assistance for 2008 and 2009

Activity Title	Activity Description	TCB Category	FY2008	FY2009
			Total	Total
Best Practices for Border Management Training	Promotes border security and customs operations by donating equipment to support the ability to operate inspection and detection equipment. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Customs Operation and Administration	65,000	
		Activity Total TCB for Bangladesh	65,000	
Biotechnology Regulatory Development Assistance	Regulation of agricultural biotechnology has implications for environmental and human health safety as well as agricultural trade. This activity provides a global platform for technical assistance to developing countries in Asia and Africa to develop and implement biosafety regulatory policies and practices. Bangladesh Description for 2009: This activity is supporting the development of regulatory systems for agricultural biotechnology in Bangladesh. The project will build regulatory capacity and biosafety expertise. The project will also facilitate the adoption of comprehensive biosafety regulations, with an emphasis on internationally accepted food safety guidelines for biotech foods. These are necessary to allow import and trade of biotech foods and new agricultural technologies and seeds.	Trade- Related Agriculture		50,000
		Governance/Transparency and Inter- Agency Coordination		100,000
		Environmental Trade and Standards	111,297	
		Activity Total TCB for Bangladesh	111,297	150,000
Export Control Academy Training and Assessments	Promotes border security and customs operations by donating equipment to support the ability to operate inspection and detection equipment. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Customs Operation and Administration		8,100
		Activity Total TCB for Bangladesh		8,100
Global Labor Union and NGO Strengthening	The Global Labor Union and NGO Strengthening Program has as its main objectives: 1) to promote the adoption and effective enforcement of international core labor standards, 2) to establish legal frameworks to protect and promote civil society, 3) to increase the institutional and financial viability of labor unions and labor NGOs, 4)to strengthen democratic political culture and gender equity, and 5) to enhance the free flow of information and build human capacity through education and training. Bangladesh Description for 2009: The SC will conduct stakeholder meetings/ trainings involving representatives from the Government of Bangladesh, top industry leaders, the respective Chambers of Commerce, individual factory owners, workers and worker leaders, the diplomatic community in Bangladesh as well as foreign brands invested in Bangladesh; and will conduct training/brand outreach meetings between workers, local employers, and international corporate buyer representatives in a workplace	Human Resources and Labor Standards		9,600
		Activity Total TCB for Bangladesh		9,600
International Border Interdiction Training	This activity promotes border security and customs operations by supporting the ability to administer an international border interdiction program. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. government to help other countries improve their export control systems.	Customs Operation and Administration	76,806	
		Activity Total TCB for Bangladesh	76,806

Activity Title	Activity Description	TCB Category	FY2008	FY2009
			Total	Total
Poverty Reduction by Increasing the Competitiveness of Enterprises (PRICE)	PRICE works with small/medium businesses by supporting equitable growth throughout the aquaculture, horticulture, leather value chains. Women and young entrepreneurs are a focus. PRICE develops business support services that help enhance products for export and reduce barriers to trade. Current activities: social and quality compliance for aquaculture products to meet standards for export to the US and EU, assisting leather products manufacturers in designing new products for the export market.	Human Resources and Labor Standards	115,000	150,000
		Export Promotion		330,000
		Business Services and Training	200,000	480,000
		Activity Total TCB for Bangladesh	315,000	960,000
South Asia Regional Initiative for Energy (SARI/Energy)	The USAID South Asia Regional Initiative for Energy (SARI/Energy) program promotes energy security in South Asia through three activities areas: cross border energy trade, energy market formation, and regional clean energy development. Through these activities SARI/Energy facilitates more efficient regional energy resource utilization, works toward transparent and profitable energy practices, mitigates the environmental impacts of energy production, and increases regional access.	Regional Trade Agreements (RTA)	5,000	2,000
		Other Trade Facilitation	28,000	12,000
		Competition Policy and Foreign Investment	6,000	2,600
		Business Services and Training	8,000	3,400
		Activity Total TCB for Bangladesh	47,000	20,000
Targeting and Risk Management Training	Promotes border security and customs operations by providing training on targeting and risk management. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Business Services and Training	65,000	
		Activity Total TCB for Bangladesh	65,000	
Technical Licensing Training	Technical Licensing Training Bangladesh and Chile.	Business Services and Training	93,194	
		Activity Total TCB for Bangladesh	93,194
