

Table 1. Liberia Trade Capacity Assistance for 2008 and 2009

Activity Title	Activity Description	TCB Category	FY2008 Total	FY2009 Total
<b>African Development Foundation/Trade and Investment Program</b>	A small proportion of ADF grants currently support Trade and Investment activities of private enterprises and nongovernmental organization in Africa promoting the expansion and development of export trade. However, most of ADF's grants currently support small- and micro-enterprises of marginalized populations in African countries that serve the domestic market and community development initiatives.	Tourism Sector Development	75,236	
		Activity Total TCB for Liberia	75,236	
<b>Combating Exploitive Child Labor - Sierra Leone and Liberia</b>	Cost Increase of existing project to combat the worst forms of child labor in Sierra Leone and Liberia.	Human Resources and Labor Standards		300,000
		Activity Total TCB for Liberia		300,000
<b>Developing necessary infrastructure for trade</b>	USAID provided \$5,927,000 for transport services, focusing on farm-to-market roads. The roads facilitate agricultural products accessing markets for domestic and international markets, including cocoa, rubber and palm products. Liberia Description for 2009: Transport services including rehabilitation farm to market roads to facilitate transport of agricultural products to domestic and foreign markets.	Physical Infrastructure Development	5,628,000	5,927,000
		Activity Total TCB for Liberia	5,628,000	5,927,000
<b>Energy sector policy and electricity provision</b>	The project contributes to the re-electrification of Monrovia for household, commercial and industrial power users. Formulation of Liberia's first national energy policy. The activities encourage more FDI in the power sector and contribute to an improved business enabling environment. This amount includes \$12,000,000 in supplemental funds. Liberia Description for 2009: Energy sector policy and electricity provision	Physical Infrastructure Development		17,640,000
		Other TCB	6,000,000	
		Activity Total TCB for Liberia	6,000,000	17,640,000
<b>Greater Monrovia Fiber Optic Ring</b>	USTDA is providing a 303,000 grant, to the Liberia Telecommunications Corporation, to fund a feasibility study (FS) to assess the technical and financial viability Monrovia, where a third of the country resides. The network would lower costs for all telecom operations and increase internet access to consumers. The Government of Liberia views this telecommunications project as crucial to the overall economic development of the country and the expansion of the ICT sector as a whole.	Physical Infrastructure Development	303,000	
		Activity Total TCB for Liberia	303,000	
<b>Hotel in Liberia</b>	The Overseas Private Investment Corporation (OPIC) is providing \$2.7 million of MCL in Political Risk Insurance to RLJ Liberia US, LLC for a hotel in Liberia.	Tourism Sector Development		305,910
		Activity Total TCB for Liberia		305,910
<b>Infrastructure: Telecommunications Expansion in Liberia</b>	\$32.5 million investment to further develop and expand the operations of Cellcom Telecommunications Inc which allows mobile telecommunications services such as voice and data, individual subscriber identity module (SIM) cards for local calls and retrieval of messages, and residential, business and government users in urban and rural areas of Liberia. Will fund the expansion of base stations (BTS) in rural areas as well as upgrade certain base stations already in service.	Physical Infrastructure Development	126,280	
		Activity Total TCB for Liberia	126,280
