<b>Grades and Standards Systems in Serbia</b>	Grades and Standards project in Serbia aims to assist the Serbian government in developing, implementing, and enforcing standards, grades and regulations on fruits, meat and live animals consistent with international standards. As the different Serbian ministries learn to cooperate with each other in disseminating and enforcing new regulations and standards on agricultural commodities, Serbian producers, processors and traders will become better participants in a market-driven, global economy. Serbia Description for 2009: USDA, in cooperation with the Ministry of Agriculture of Serbia, organized two training workshops on "Grades and Standards of Agricultural Products in Serbia" in Belgrade and Cacak, last May 2009. U.S. experts worked with about 25 officials from Serbian Ministry of Agriculture, Institute of Standardization, Serbian Association for Fruits and Vegetables, as well as many Serbian fruit producers, processors and exporters to address issues related to product grading syst	Trade-Related Agriculture	60,000	50,000

<b>Municipal Economic Growth Activity</b>	MEGA fosters local economic development throughout Serbia. MEGA works to achieve these through training, technical assistance, and a modest grant component. MEGA activities are focused on the local level. On the national level, MEGA advocates for reforms designed to create a better environment for local economic development. Partner municipalities have successfully entered into the EU pipeline for pre-accession funding and rank highly with respect to the quality of their project preparation.
