

Table 1. APEC Secretariat Trade Capacity Assistance for 2009 and 2010

| Activity Title  | Activity Description   | TCB Category                               | FY2009        | FY2010         |
|---|--|--|---------------|----------------|
|   |  |  | Total         | Total          |
| <b>APEC Food Defense Pilot Program</b>  | The APEC-endorsed Food Defense Pilot Program is an ongoing collaborative effort of FAS, FSIS, FDA, Department of State, USTR, and U.S. industry. In FY11, the team completed pilot projects in Vietnam and the Philippines, as well as a regional event and a government collaborative exchange event to showcase the efforts of the 4 pilot economies to the APEC community. The program is designed to engender food defense awareness and build the capacity to prevent deliberate contamination of U.S. exports.   | Trade-related Agriculture                  | <b>46,842</b> |                |
|   |  | Trade Promotion                            | <b>46,842</b> |                |
|   |  | Activity Total                             | <b>93,684</b> |                |
| <b>APEC SME Technology Seminar</b>  | The International Trade Administration's Market Access and Compliance staff partnered with the Computing Technology Industry Association (CompTIA) to hold a seminar in Malaysia for the Small and Medium Enterprises (SME) working group on ICT skills and certification, innovation and standards, and public policy issues that promote entrepreneurship in APEC developing countries.  | Other Trade Capacity Building              | <b>36,000</b> |                |
|   |  | Activity Total                             | <b>36,000</b> |                |
| <b>Business Climate Legal and Institutional Reform (BizCLIR) Project</b>                                    | The BizCLIR task order provides diagnostic and economic enabling environment technical services aimed at improving countries' economic performance. Areas being covered include Doing Business type indicators, Agribusiness diagnostics, private sector health diagnostics, and women-focused research and reforms. BizCLIR also provides a web-based portal for disseminating the information and best practices analyzed at www.bizclir.com. APEC Secretariat Description for 2010: workshop on AgCLIR for APEC members   | Trade-related Agriculture                  |               | <b>155,000</b> |
|   |  | Activity Total                             |               | <b>155,000</b> |
| <b>Ease of Doing Business Workshop: Reducing Business Start-up</b>  | Fifty-five (55) participants from APEC economies participated in a 2-day workshop that provided APEC stakeholders with improved knowledge of the business enabling environment and how a functioning domestic regulatory regime that streamlines the process of establishing a business can have other added benefits in addition to reduced savings in time, money, and energy to both the business representative and government administration of such processes.   | Enterprise Development                     |               | <b>33,386</b>  |
|   |  | Activity Total                             |               | <b>33,386</b>  |
| <b>Environment Goods and Services Information Exchange Tool</b>   | Developed an online information exchange tool to provide public and private stakeholders in APEC economies with a means to access and share the latest information, studies, projects on environmental goods and services (EGS) and voluntarily exchange information.  | Other Trade Capacity Building              | <b>69,561</b> |                |
|   |  | Activity Total                             | <b>69,561</b> |                |
| <b>Expert Working Group on Food Safety for Developing Training Modules and Delivery Methods for the APE</b> | FDA and its federal partners assembled 90 food safety and training experts at the World Bank in Washington, DC, from APEC economies to build a partnership to deliver enduring food safety training in the APEC region under the Food Safety Cooperation Forum Partnership Training Institute Network. The workshop focused on produce and seafood that can be significant sources of foodborne disease and are commonly traded throughout the APEC Economies. 5/19- 5/20/2010 APEC Secretariat Description for 2010: China, Australia, Thailand, Malaysia, Taipei, Korea, Hong Kong, Peru, Mexico, Papua New Guinea, Singapore, Indonesia, Vietnam, Philippines | Sanitary and Phyto-Sanitary Measures (SPS) |               | <b>8,000</b>   |
|   |  | Activity Total                             |               | <b>8,000</b>   |
