Table 1. ASEAN Secretariat Trade Capacity Assistance for 2009 and 2010

Activity Title	Activity Description	TCB Category	FY2009	FY2010
			Total	Total
ASEAN-USPTO Advanced Colloquium for the Judiciary on Civil Adjudication of IPR	Program was an advanced educational seminar for judges on IP enforcement topics.	Intellectual Property Rights (IPR)		125,000
		Activity Total		125,000
ASEAN-USPTO Regional IP Management and Technology Commercialization	Workshop on IP management and technology commercialization designed to improve knowledge and practical skills in IP management, technology assessment, marketing, negotiation and licensing to officials in national science and technology laboratories/offices, universities, or IP offices with an emphasis on "green technology" and the importance of IP management and commercialization in fostering innovation and promoting economic growth particularly in developing countries.	Intellectual Property Rights (IPR)		70,000
		Activity Total		70,000
Clean Energy Trade and Investment Conference	Support for a two and one half-day workshop that would discuss strategies to increase natural gas utilization in the developing economies of the Association of Southeast Asian Nations (ASEAN) forum. It would address issues related to the pursuit of clean energy development in the region which includes renewable energy and the adoption of policies and technologies that enhance power production with a focus on pollution reduction.	Trade-related Infrastructure	261,846	
		Environmental Standards and Trade	261,846	
		Activity Total	523,692	
Intellectual Property Foreign Criminal Enforcement Training and Technical Assistance	This spending responds to a Congressional soft earmark directing the Department (INL) to fill a gap in govt-to-govt criminal enforcement training to build capacity of foreign law enforcement to cooperate with the USG in combating IPR theft. The earmark has been put in annually at the instance of key US industry rights holders who believe strong government-to-government involvement in training was a 'missing link' that needed to be filled to counter increasingly sophisticated transnational crime.	Other Trade Capacity Building	251,600	
		Activity Total	251,600	
Seminar and Practical Visit on Protection, Innovation, and Enforcement of IPR	Two week seminar and practical visit on IPR protection for high level IP officials and legislators from ASEAN member states. The program topics included technology transfer, the nexus between effective IP protection and enforcement and innovation, government and private sector partnerships, and the role of IP as a tool for economic development, among others.	Intellectual Property Rights (IPR)		140,906
		Activity Total		140,906
Technical assistance to Vietnam and ASEAN to help develop a coherent competition policy	We assisted ASEAN with special attention to Vietnam and Cambodia to train their staff to apply competition and consumer protection laws effectively and reach out to shareholders.
