Activity Title	Activity Description	TCB Category	FY2009	FY2010
			Total	Total
<b>Andean Trade Capacity Building Program</b>	Increase trade and investment by promoting the participation of Colombia, Peru, Ecuador, and possibly Bolivia, in global, regional and/or bilateral Free Trade Agreements. Assistance focuses on technical areas that will enhance the ability of assisted countries to compete in international markets, they are: Labor Law Enforcement and Outreach, and Intellectual Property Rights Enforcement and Outreach. Peru has already signed a Trade Promotion Agreement and Colombia will soon have it approved.	Trade Promotion	200,000	
		Enterprise Development	200,000	
		Activity Total	400,000	
<b>Bolivian Productivity and Competitiveness Project (BPC Project)</b>	The BPC Project increases productivity and sales of micro, small and medium enterprises (MSMEs) to generate/sustain employment and increase incomes in urban and peri-urban areas. This happens through strengthening selected value chains, strengthening capacity of local organizations to provide services to MSMEs (i.e.: production technologies, clean production, quality control, financial access, etc.), and promoting initiatives to improve the business environment and workforce development. Bolivia Description for 2010: Bolivia, with a population of approximately 10 million continues to face significant development challenges, including social exclusion, income inequality, lack of opportunities and conflict. Roughly 2/3 Bolivians live in poverty, with rural poverty close to 80%. Life expectancy is approximately 64 years, well below the regional average. Migration to urban areas continues with just under the 2/3 of Bolivians in cities.	Trade Promotion	424,000	620,000
		Enterprise Development	901,000	416,000
		Activity Total	1,325,000	1,036,000
<b>Bolivian Trade and Business Competitiveness 2 (BTBC 2)</b>	BTBC 2 Activity works to increase the competitive production of goods and services, facilitate trade, expand market access and attract foreign investment. It helps small and medium-sized businesses to take advantage of trade opportunities by providing technical assistance and training in value-added, labor-intensive export sectors, and connecting producers with markets.	Enterprise Development	187,340	
		Activity Total	187,340	
<b>Combating the Worst Forms of Child Labor in Bolivia</b>	Combating the Worst Forms of Child Labor in Bolivia will work through the International Labor Organization's International Program on the Elimination of Child Labor to help the countries build community-based monitoring systems to uncover the worst forms of child labor, determine the causes and provide remedies.	Trade-related Labor		6,000,000
		Activity Total		6,000,000
<b>FDTA-Valles Institutional Capacity Improvement</b>	The FDTA-Valles Institutional Capacity Improvement program reduces poverty in the valleys and chaco of Bolivia by enhancing income opportunities for the rural poor through a market-driven strategy. The program promotes the strengthening of rural enterprises, reducing transaction costs, improving agricultural chains from inputs to markets. Bolivia Description for 2010: Bolivia, with a population of approximately 10 million continues to face significant development challenges, including social exclusion, income inequality, lack of opportunities and conflict. Roughly 2/3 Bolivians live in poverty, with rural poverty close to 80%. Life expectancy is approximately 64 years, well below the regional average. Migration to urban areas continues with just under the 2/3 of Bolivians in cities.	Trade-related Agriculture		1,000,000
		Activity Total		1,000,000
<b>Integrated Development and Conservation in Bolivian Amazon</b>	The IBA Project promotes the conservation and sustainable use of Bolivia's vast biodiversity, improve the well-being of the Bolivian people, and address climate change. The project promotes people-level impact by enhancing access to productive opportunities, identify landscapes of conservation, identify threats and opportunities in these sites and identify appropriate strategic partnerships and interventions to support conservation and improved livelihoods. Bolivia Description for 2010: Bolivia, with a population of approximately 10 million continues to face significant development challenges, including social exclusion, income inequality, lack of opportunities and conflict. Roughly 2/3 Bolivians live in poverty, with rural poverty close to 80%. Life expectancy is approximately 64 years, well below the regional average. Migration to urban areas continues with just under the 2/3 of Bolivians in cities.	Trade-related Tourism		50,000
		Trade-related Agriculture		100,000
		Trade Promotion	400,000	50,000
		Environmental Standards and Trade	349,400	300,000
		Enterprise Development	300,000	250,000

<b>Integrated Development and Conservation in Bolivian Amazon 2 (MAPA 2)</b>	The IBA Project promotes the conservation and sustainable use of Bolivia's vast biodiversity, improve the well-being of the Bolivian people, and address climate change. The project promotes agricultural development through access to productive opportunities and training for small-scale producers in the lowlands and highlands. The project also provides technical assistance to support conservation and improved livelihoods. Bolivia Description for 2009: Bolivia, with a population of approximately 10 million continues to face significant development challenges, including social exclusion, income inequality, lack of opportunities and conflict. Roughly 2/3 Bolivians live in poverty, with rural poverty close to 80%. Life expectancy is approximately 64 years, well below the regional average. Migration to urban areas continues with just under the 2/3 of Bolivians in cities.	Trade-related Agriculture	1,601,123	
		Activity Total	1,601,123	
<b>USAID Rural Competitiveness Activity (ARCo)</b>	USAID's Rural Competitiveness Activity (ARCo) helps producers access U.S., European and regional markets. Products now being exported or that have increased export sales include bananas, organic tea, pineapple, cocoa, flowers, and coffee. ARCo has sponsored observation trips for producers to facilitate technology transfer and encourage farmer to farmer relations. Access to international markets is also facilitated in organic certification and phytosanitary standards. Bolivia Description for 2010: Bolivia, with a population of approximately 10 million continues to face significant development challenges, including social exclusion, income inequality, lack of opportunities and conflict. Roughly 2/3 Bolivians live in poverty, with rural poverty close to 80 percent. Life expectancy is approximately 64 years, well below the regional average. Migration to urban areas continues with just under the 2/3 of Bolivians in cities.	Activity Total	1,049,400	750,000
		Trade Promotion	760,000	400,000
		Environmental Standards and Trade	190,000	200,000
		Enterprise Development	950,000	400,000
		Activity Total	1,900,000	1,000,000
