Activity Title	Activity Description	TCB Category	FY2009	FY2010
			Total	Total
2009 U.S.-India Aviation Summit	To promote advanced U.S. technical approaches and collaboration for India's rapidly growing aviation market, and encourage high-level dialogue to address key issues related to air traffic management and control, aviation security, and airspace utilization throughout India. The summit would serve to provide momentum to the growing long-term strategic and commercial relationship between the Indian and U.S. aviation industries.	Trade-related Infrastructure	318,451	
		Activity Total	318,451	
Air Traffic Control Officer Long Term Planning	In FY 2010 USDA funded a technical assistance to provide an expert US assessment of the Airport Authority of India's draft Long-Term Manpower Requirements Plan for Air Traffic Control Officers.	Trade-related Infrastructure		62,160
		Activity Total		62,160
Asian Harmonization Working Party (AHWP)	U.S. FDA staff from CDRH presented overview of its medical device rules and regulations. Topics covered were premarket, postmarket, risk management and U.S. In-Vitro diagnostic regulations.	Other Trade Capacity Building	28,000	
		Activity Total	28,000	
BRIC International Competition Conference in Russia	The Antitrust Division participated in the BRIC International Competition Conference in Kazan, Russia. The conference was the first of its kind within the competition community to focus on issues of competition development in fast-growing economies and was organized by the Russia Federal Antimonopoly Service, Brazil Competition Policy System, India Competition Commission and China State Administration for Industry and Commerce.	Competition Policy, Business Environment, and Governance	423	
		Activity Total	423	
Biotechnology Regulatory Development Assistance	Regulation of agricultural biotechnology has implications for environmental and human health safety as well as agricultural trade. This activity provides a global platform for technical assistance to developing countries in Asia and Africa to develop and implement biosafety regulatory policies and practices. India Description for 2010: This activity is supporting the development of regulatory systems for agricultural biotechnology in India. The project will build regulatory capacity and biosafety expertise and help bring India's biosafety regulations in line with international standards. These are necessary to allow import and trade of biotech foods and new agricultural technologies and seeds. There will be a focus on improving environmental risk assessment standards.	Trade-related Agriculture		50,000
		Environmental Standards and Trade	150,000	100,000
		Competition Policy, Business Environment, and Governance	150,000	50,000
		Activity Total	300,000	200,000
Competition Conference in India	The Antitrust Division participated in two workshops hosted by the Competition Commission of India in New Delhi.	Competition Policy, Business Environment, and Governance	3,397	9,531
		Activity Total	3,397	9,531
DGCA Aviation Standards and Processes Technical Training	Grant to partially fund technical assistance for the Government of the India's Directorate General of Civil Aviation (DGCA). The TA will address U.S. aviation companies' interest in expanding sales in the Indian market by providing a U.S. standards training program targeted to Indian industry leaders, thereby promoting the use of U.S. aviation standards.	Trade-related Infrastructure	371,700	
		Activity Total	371,700	
Delhi High Court and Mumbai IP Meetings	Over the past three years, DOJ has been working with government officials in India, including senior members of the judiciary, to develop programs to improve intellectual property enforcement efforts in India and reduce overwhelming case backlogs, including the implementation of alternative dispute resolution and "plea bargaining" programs. The most recent meeting took place in November of 2008.	Intellectual Property Rights (IPR)	8,114	
		Activity Total	8,114
