		Activity Total	1,660	
<b>Jamaica – IPR Training</b>	From Nov. 4-6, a workshop for police, Customs, prosecutors, judges, private industry, and others was held on combating IPR crimes. Among other things, the participants (about 25 persons) developed a protocol for investigating store-front operations that distribute pirated products. Presenters included one DOJ presenter, a retired UK police officer, a Jamaican police officer, and a Trinidad prosecutor.	Intellectual Property Rights (IPR)	25,760	
		Activity Total	25,760	
<b>MAJIC Project</b>	TA and capacity building is given to the Ministry of Agriculture, through Farmer Field Schools, to facilitate increased export competitiveness and trade. This will be achieved by supporting an agriculture MIS; promoting financial services for production, productivity, and marketing; strengthening farmer-buyer market linkages throughout selected value chains; and improving the production and marketing of select specialty and high value crops (cocoa; scotch bonnet pepper)	Trade-related Agriculture		100,000
		Activity Total		100,000
<b>PRIDE Jamaica</b>	The overarching goal is to enhance trade facilitation, reduce corruption, and increase border security by providing technical assistance to the Jamaica Customs Department (JCD). Specifically, the project will focus on activities which develop a more efficient and effective risk management framework for customs which decreases the time and cost of trade while increasing competitiveness and domestic revenue mobilization. Jamaica Description for 2010: Located on the USA's third border, Jamaica's interaction with our country is deep and continuous. About 1.5 million people of Jamaican extraction live in the United States, more than half of Jamaica's current population. Three million people travel between our two countries each year, including over 2 million U.S. citizens traveling to Jamaica. The Mission protects and serves more than 3.5 million U.S. citizens visiting Jamaica and the Cayman Islands annually.	Trade Promotion		150,000
		Customs Operations		100,000
		Activity Total		250,000
<b>Protected Areas and Rural Enterprise Project</b>	Tourism Sector Development/Agriculture: Technical assistance and capacity building is given to community based tourism operators in addition to infrastructure support with a view towards improving the quality of their goods and services while increasing their competitiveness while conserving the environment. Areas include protected areas, forest reserves, trails and heritage sites (Flagstaff). PARE also conducted an economic assessment of the cocoa sector and capacity building for cocoa farmers.	Trade-related Tourism	170,000	
		Trade-related Agriculture	120,000	
		Activity Total	290,000
