Activity Title	Activity Description	TCB Category	FY2009	FY2010
			Total	Total
Cold Chain Improvement Initiative	U.S. experts from the government and private industry provide technical assistance in inherently governmental areas of guidelines, regulations and standards, as well as perishable food handling, storage, logistics, distribution and marketing for local government and private industries, to improve the capacity and linkages within the cold chain in emerging markets. Strong private-public partnerships in the U.S. and emerging markets create mutually beneficial trade in agricultural products.	Trade-related Agriculture	4,000	
		Activity Total	4,000	
Cooperative Development Program	The CDP began in 2004 and runs through 2010. There are eight grantees that will utilize their grants to reduce poverty through trade and investment.	Other Trade Capacity Building	44,263	
		Activity Total	44,263	
Mozambique Agribusiness and Trade Competitiveness Program	The Agribusiness and Trade Competitiveness (ATC) program is to increase the competitiveness of Mozambique private sector through the development of competitive agriculture value chains. More specifically, the ATC program will impact favorably on rural household incomes, increase private sector investment and increase jobs opportunities in rural area. The program will also increase sales and export of high value agriculture commodities and products.	Trade-related Agriculture	5,500,000	
		Activity Total	5,500,000	
Mozambique IP Judiciary Capacity Building	The Office of Africa in the International Trade Administration partnered with the Commercial Law Development Program (CLDP) in the Department of Commerce and the World Bank to deliver a training program for Mozambican judges on intellectual property rights protection and enforcement. 		Activity Total	56,000	
Regional Workshop on IP Enforcement in the Southern Africa Region: The Adjudication of Cases	In May 2010, CLDP, USPTO, and USDOJ, convened a Regional Workshop on Intellectual Property Enforcement in the Southern Africa Region: The Adjudication of Cases. This workshop of over 100 judges, magistrates and IP officials from Botswana and the Southern Africa region, through a series of exercises and discussions, improved the skill and knowledge of the participants so that they might more fairly, consistently, and efficiently adjudicate IP cases in the region.	Intellectual Property Rights (IPR)		7,500
		Activity Total		7,500
Support Program for Economic and Enterprise Development - Mozambique	This activity is seeking to improve competitiveness of key economic sectors by developing a more market-friendly environment for broad-based economic opportunity and by expanding business and trade opportunities. The specific objectives are: (i) increase capacity of the private and public sector to engage in policy dialogue and policy reforms (ii) implement key policies for improving business climate, and (iii) facilitate private investment in key sectors. Mozambique Description for 2010: Mozambique ranks in 175 of 179 countries in the latest UN Human Development Index), the country is fortunate in that its diverse resource base (energy, mining, agriculture, fisheries, forestry and tourism) and its 2,500 kilometers of coastline with three major ports. Mozambique is still recovering from the effects of a protracted civil conflict that ended sixteen years ago. Continuing peace and stability, however, coupled with economic growth averaging nearly 8% for the last ten years.	Trade Promotion	250,000	500,000
