GIPA Trademark IP Administration Program	The USPTO, Global Intellectual Property Academy offered a 4 day program on trademark administration.	Other Trade Capacity Building	5,104	
		Activity Total	5,104	
Intellectual Property Foreign Criminal Enforcement Training and Technical Assistance	This spending responds to a Congressional soft earmark directing the Department (INL) to fill a gap in govt-to-govt criminal enforcement training to build capacity of foreign law enforcement to cooperate with the USG in combating IPR theft. The earmark has been put in annually at the instance of key US industry rights holders who believe strong government-to-government involvement in training was a 'missing link' that needed to be filled to counter increasingly sophisticated transnational crime.	Other Trade Capacity Building		146,272
		Activity Total		146,272
JIFSAN-FDA Good Agricultural Practices Train-the-Trainer - Peru	JIFSAN and FDA CFSAN provided a program to 53 potential trainers from government (SENASA), industry and academia. Topics include basic environmental, human health, and sanitary operational practices necessary for production of safe, wholesome fruits and vegetables. It covered ag and postharvest water uses and purification, manure and biosolids, worker health and hygiene, field and facility sanitation, pathogen infiltration in mangos and melons, safe pesticide use and traceback. 4/12-16/2010 Peru Description for 2010: Peru	Sanitary and Phyto-Sanitary Measures (SPS)		32,400
		Activity Total		32,400
Micro and Small Export Facilitation Program	USAID's microenterprise development strategy seeks to address two pressing challenges: To link microenterprises to greater opportunities for growth, which includes integrating them on more favorable terms into the formal economies of their countries and connecting them to expanded information and resource networks.	Trade Promotion	305,200	
		Enterprise Development	300,000	
		Activity Total	605,200	
Norman E. Borlaug International Agricultural Science and Technology Fellowship Program	The Borlaug Fellowship Program helps developing and middle-income countries strengthen their agricultural trade and scientific capacity by providing 8-12 week of scientific training and collaborative research programs to scientists, policymakers and university faculty. Since 2004, the program has helped over 600 international agricultural professionals build capacity and market access by promoting the adoption of sound regulatory and food safety policies and new technologies.	Trade-related Agriculture	50,000	
		Activity Total	50,000	
PromPeru Annual Conference- Peru	Two FDA experts provided information on how to import foods to the US, FDA requirements for the low acid canned food processors, best practices for production of fresh fruits and vegetables for small and medium-sized production facilities of indigenous, novel foods. 5/11-14/2010 Peru Description for 2010: Peru	Sanitary and Phyto-Sanitary Measures (SPS)		8,000
