<b>DHS/ICE IP Training Course and Colombian Copyright Office IP Enforcement Training</b>	DHS/ICE conducted program to provide comprehensice IP training and capacity building for South American enforcement officials - both police and customs authorities. Colombian Copyright Office IP enforcement training was a one day program designed for Colombian judges, prosecutors and police in conjunction with Embassy Bogota.	Intellectual Property Rights (IPR)		<b>5,400</b>
		Activity Total		<b>5,400</b>
<b>Intellectual Property Foreign Criminal Enforcement Training and Technical Assistance</b>	This spending responds to a Congressional soft earmark directing the Department (INL) to fill a gap in govt-to-govt criminal enforcement training to build capacity of foreign law enforcement to cooperate with the USG in combating IPR theft. The earmark has been put in annually at the instance of key US industry rights holders who believe strong government-to-government involvement in training was a 'missing link' that needed to be filled to counter increasingly sophisticated transnational crime.	Other Trade Capacity Building	<b>160,856</b>	
		Activity Total	<b>160,856</b>	
<b>OAS Cybercrime Workshop-Investigating Large-scale Internet Crimes</b>	61 law individuals attended this workshop on investigating large-scale internet crimes. 20 participants came from neighboring nations, and the government of Peru sent 41 individuals.
