AGCI - Financial Sector - African Economic Research Consortium	AERC will provide analytical support to the Secretariat for the Partnership, based at the AfDB in Tunis, funded by Germany and the UK. This analytical support will focus on identifying opportunities for harmonizing the legal and regulatory environment across Africa to enhance efficiency and economies of scale in financial intermediation and services.	Financial Sector Development		100,000
		Activity Total		100,000
AGCI - Regional IP Protection: The Border and Beyond	CLDP and the South African government, with the USPTO and DOC-ITA, conducted a three-day regional workshop "Regional IP Enforcement: The Border and Beyond" in Cape Town, South Africa, May 13-15, 2009. The workshop exposed delegates to the importance of IP enforcement, its impact on the region's economies and international standards of enforcement to be attained. It also investigated the skills and mechanisms needed to promote greater coordination among IP enforcement agencies in the region.	Trade Promotion	150,000	
		Activity Total	150,000	
Adjudication of IP Cases in Southern Africa: Gaborone Workshop	May 13-15, 2010, in Gaborone, Botswana; over 100 judiciary participants from the Southern African region gathered to address the adjudication of IP cases. The Workshop was designed to increase the skill and knowledge of the participants so that they might more fairly, consistently, and efficiently adjudicate IP cases in the region. The Workshop also sought to increase awareness on the benefits of enhanced IP enforcement. Southern Africa ns Description for 2010: May 13-15, 2010, in Gaborone, Botswana; Participants from the Southern African region gathered to address the adjudication of IP cases. The Workshop was designed to increase the skill and knowledge of the participants so that they might more fairly, consistently, and efficiently adjudicate IP cases in the region. The Workshop also sought to increase awareness on the benefits of enhanced IP enforcement. Participants came from Botswana, Lesotho, South Africa, and Swaziland. Ajudicating IP Cases in Southern Africa: SACU Workshop	10/2/2009- 10/4/2009. As a result of the Colloquium, the participating judges published a Communiqué in which they recommended: 1) that the judiciary of each SACU country post all of its IP judgments on an already existing common judiciary website, 2) that a standing IP Committee consisting of representatives of SACU judiciary be constituted to influence the harmonization of IP legislation and practices in the region, 3) that the judiciary of each SACU country post all of its IP judgments. Southern Africa ns Description for 2010: Activity involved Namibia, South Africa, Botswana, Swaziland, and Lesotho.	Intellectual Property Rights (IPR)		165,125
		Activity Total		165,125
Department of Public Health, South Africa Workshop on Animal Drug Preapproval Requirements	Animal drug approval requirements September 21-24, 2009.	Other Trade Capacity Building	14,500	
		Activity Total	14,500	
Intellectual Property Foreign Criminal Enforcement Training and Technical Assistance	This spending responds to a Congressional soft earmark directing the Department (INL) to fill a gap in govt-to-govt criminal enforcement training to build capacity of foreign law enforcement to cooperate with the USG in combating IPR theft. The earmark has been put in annually at the instance of key US industry rights holders who believe strong government-to-government involvement in training was a 'missing link' that needed to be filled to counter increasingly sophisticated transnational crime.	Other Trade Capacity Building		152,588
		Activity Total		152,588
South African Development Community (SADC) Regional Workshop	Workshop to promote the important of IP management and technology commercialization and transfer in fostering local innovation and promoting economic growth in developing countries.	Intellectual Property Rights (IPR)		70,000
		Activity Total		70,000

Southern Africa Trade Hub (SATH)	The overall goal of the new SATH is to increase international competitiveness, intra-regional trade, and food security in the SADC Region. The SATH will realize this through supporting progress on the regional integration agenda and increasing the trade capacity of regional value chains in selected sectors. The SATH program builds on eight years of experience in the SADC region. Initially, established in 2002 with the goal of enhancing exports under the US AGOA program, the Trade Hub has expanded	WTO Accession and Compliance		1,669,062
