Activity Title	Activity Description	TCB Category	FY2010	FY2011
			Total	Total
<b>A Worker-Centered Approach Toward Building a Culture of Compliance</b>	This program includes two main components: a) educating workers on their fundamental rights and the use of national and international labor rights protection instruments to defend their rights; and b) building and strengthening viable worker organizations that represent a broad base of workers in key economic sectors.	Trade-related Labor	2,077,075	
		Activity Total	2,077,075	
<b>Access to Credit for Small and Medium Enterprises</b>	In concert with the development of the SBDC model in the hemisphere, we propose a program to link the clients of the SBDCs to a financing mechanism that will give them the needed access to credit to start/expand their businesses. As the SBDC clientele go through intense training on successful SME administration, they are a better risk for financing. Focus will be Mexico and Central America, where SBDCs have already been created.	Enterprise Development		1,000,000
		Activity Total		1,000,000
<b>Biodiversity and Natural Resource Conservation (CITES Implementation)</b>	Support to capacity building and regional collaboration around implementation of CITES (the Convention on International Trade in Endangered Species of Wild Fauna and Flora), including strengthening the legal framework to improve CITES implementation through performance of CITES Management and Scientific Authorities, training enforcement/inspection personnel, strengthening education and outreach efforts, and supporting rescue centers.	Other Trade Capacity Building		500,000
		Environmental Standards and Trade	550,000	
		Activity Total	550,000	500,000
<b>Building the Capacity of Workers and Worker Organizations to Advocate for Labor Rights in CAFTA-DR</b>	Program is designed to build & strengthen independent, democratic, & inclusive worker orgs through education, promotion, & protection of labor rights. It addresses 3 strategic objectives: build & strengthen dynamic, representative, & sustainable worker orgs; diversify & democratize worker orgs by including & promoting leadership of traditionally marginalized workers; & to build the capacity of workers & their orgs to constructively advocate for worker rights with public authorities & employers.	Trade-related Labor		1,484,554
		Activity Total		1,484,554
	This project extension will work with the Solidarity Center with an emphasis on strengthening independent, democratic labor institutions and strengthening the long-term sustainability of such organizations.	Trade-related Labor		2,000,000
		Activity Total		2,000,000
<b>Clean Energy Program</b>	This activity will seek to improve investment climate for clean energy and reduce overall electrical energy consumption in the Central American region.	Competition Policy, Business Environment, and Governance	2,000,000	
		Activity Total	2,000,000	
<b>Cleaner Production</b>	OES will build on and expand current Pathways to Prosperity and CAFTA-DR cleaner production activities, including expanding the Pathways to Cleaner Production partnership between universities, cleaner production centers, and the private sector to incorporate additional Pathways countries.	Environmental Standards and Trade		650,000
		Activity Total		650,000
<b>Convention on the International Trade of Endangered Species (CITES)</b>	Funding will build on successes and expand support of priorities in institutionalizing enforcement and strengthening civil society through both government to government cooperation and partnerships with non-governmental organizations. The regional CITES work achieves CAFTA-DR commitments.	Environmental Standards and Trade		600,000
		Activity Total		600,000

			Total	Total
<b>Effective Collective Bargaining Driving Competitiveness</b>	This is a new public-private partnership with Global Works Foundation , and will build off of the innovative Russell/Fruit of the Loom Honduras example to provide mediation services and local capacity building, and highlight the benefits of effective collective bargaining.	Trade-related Labor		<b>500,000</b>
		Activity Total		<b>500,000</b>
<b>Energy Efficiency (CCAD)</b>	This program has assisted the regions private sector to adopt cleaner production practices and technologies. In addition to improving a companys environmental performance by optimizing water and energy consumption and reducing the generation of solid wastes and contaminants, these efforts have helped companies increase both profits and compliance with environmental legislation.	Environmental Standards and Trade		<b>400,000</b>
		Activity Total		<b>400,000</b>
<b>Environmental Affairs Council and Environmental Cooperation Commission Administration</b>	Support to ongoing cooperation amongst member countries, as well as the convening of essential meetings of the CAFTA-DR Environmental Affairs Council and Points of Contact pursuant to the U.S. commitments in the CAFTA-DR Free Trade and Environmental Cooperation Agreements. This line item also includes general program administration and coordination.	Other Trade Capacity Building		<b>300,000</b>
		Environmental Standards and Trade	<b>600,000</b>	
		Activity Total	<b>600,000</b>	<b>300,000</b>
<b>Environmental Laws, Regulations, Policies and Procedures</b>	This activity focuses on Environmental Impact Assessments (EIA).	Other Trade Capacity Building	<b>100,000</b>	
		Activity Total	<b>100,000</b>	
<b>Evaluation of Implementation of CAFTA-DR Environmental Cooperation Agreement</b>	Support to monitoring and evaluation of the CAFTA-DR environmental cooperation program to measure the overall impact of environmental cooperation, including how it is impacting the ability of the relevant CAFTA-DR Parties to strengthen and effectively enforce their environmental laws and meet other long-term environmental goals.	Other Trade Capacity Building	<b>200,000</b>	
		Activity Total	<b>200,000</b>	
<b>Food Security Initiative with USDA</b>	This activity will assist CAFTA-DR governments to improve their sanitary and phytosanitary capacities as well as their agricultural market information systems and promote a trade-led economic growth.	Sanitary and Phyto-Sanitary Measures (SPS)	<b>605,040</b>	<b>1,060,000</b>
		Activity Total	<b>605,040</b>	<b>1,060,000</b>
<b>Improved Private Sector Performance / Cleaner Production</b>	Support to improved private sector environmental performance and the implementation of cleaner production practices and technologies in small and medium sized enterprises.	Other Trade Capacity Building	<b>1,350,000</b>	<b>650,000</b>
		Activity Total	<b>1,350,000</b>	<b>650,000</b>
<b>Improved Solid Waste Policies and Regulations</b>	Under the CAFTA-DR Program, USEPA worked with Central America to develop a regional policy and strategy for integrated waste management, and will work towards adoption in each CAFTA-DR country. Additional FY11 assistance will include the dissemination of expertise on municipal landfills and disposal of special waste. Aligning policies encourages technology trade.	Environmental Standards and Trade		<b>400,000</b>
		Activity Total		<b>400,000</b>
<b>Improved Wastewater Management</b>	The CAFTA-DR program has worked to strengthen the legal framework for wastewater management and to raise the standards of key wastewater analysis laboratories in each country in the region. Continuing within this effort, USAID will work with EPA to promote the adaption and implementation of specific elements of the model wastewater regulation previously developed in accordance with national priorities.	Environmental Standards and Trade		<b>600,000</b>
		Activity Total		<b>600,000</b>

<b>La IdEA</b>	The goal of The Latin American IdEA Marketplace is to tap the underutilized knowledge and desire of diaspora populations in the United States to support economic development, job creation and social development in Central America and Mexico through a business competition. The funds will be used to procure the assistance of an implementing partner that would run the competition, including the administration of awards and technical assistance.	Enterprise Development		<b>150,000</b>
		Activity Total		<b>150,000</b>
<b>Market Access</b>	OES will expand the market access initiative under Pathways Pillar IV to highlight strategies that maximize benefits of market opportunities for sustainably produced goods. This work will leverage successes from the CAFTA-DR environmental cooperation program in the area of sustainable agriculture, tie into work being done under Pathways Pillars II and III, and bring in additional Pathways countries that have expressed interest in cooperating on market access.	Environmental Standards and Trade		<b>250,000</b>
		Activity Total		<b>250,000</b>
<b>Market Access for Sustainably Produced Goods</b>	Support to market access initiative to highlight strategies that maximize benefits of market opportunities for sustainably produced goods.	Trade Promotion		<b>250,000</b>
		Other Trade Capacity Building	<b>100,000</b>	
		Activity Total	<b>100,000</b>	<b>250,000</b>
<b>Mini-Regional Microbiology Lab Training Program</b>	Two USFDA scientists provided training on detection and isolation of E. coli O157:H7 and Salmonella in fresh vegetables and lactic products for 13 regional analysts from Honduras Ministry of Agriculture's Laboratorio Nacional de Analisis de Residuos (LANAR) (9), Guatemala Laboratorio Nacional de Salud (2), and El Salvador Ministry of Agriculture and Livestock (2) at LANAR's laboratories in Tegucigalpa. 8/7/-8/11/2011 Central America ns Description for 2011: El Salvador, Guatemala, and Honduras.	Sanitary and Phyto- Sanitary Measures (SPS)		<b>5,000</b>
		Activity Total		<b>5,000</b>
<b>Promoting Compliance with Labor Standards for Migrant Workers: Awareness, Capacity Building, and Tec</b>	Through a combination of direct technical assistance, training, and outreach, the program seeks to build the long term capacity of civil society organizations, including labor and human rights NGOs, to better reach out to migrant workers; to raise awareness among employers of the rights of migrant workers and build the capacity of employer trade associations to help employers improve compliance efforts; and to build the capacity of labor ministries to improve and develop policy and enforcement.	Trade-related Labor	<b>2,000,000</b>	
		Activity Total	<b>2,000,000</b>	
<b>Promoting Respect for Informal Sector Workers' Labor Rights</b>	These funds will support the ILO project in two to three CAFTA countries to increase the organizational capacity and productivity of workers in the informal economy and increase governments' capacity to respond to the needs of workers in the informal economy, including by strengthening existing laws and helping to formulate new policies to provide social services to workers in the informal economy and lift barriers to formalization of jobs and businesses.	Trade-related Labor		<b>1,150,000</b>
		Activity Total		<b>1,150,000</b>
<b>Public Participation</b>	OES will implement phase two of ongoing work to strengthen governments' institutional structures, policies, and procedures to facilitate public participation in sustainable development and environmental decision-making. The project promotes access to information, and strengthens formal opportunities and mechanisms for public participation at national and regional levels. It also will increase the capacity of civil society to use such mechanisms.	Environmental Standards and Trade		<b>100,000</b>
		Activity Total		<b>100,000</b>

		Activity Total	4,091,580	5,420,450
<b>Sanitary and Phytosanitary Assistance to DR-CAFTA Countries</b>	This regional activity, to be implemented by ECAM, engages USDA in providing assistance to DR-CAFTA countries in support of implementing treaty-related obligations in sanitary and phytosanitary measures and providing other assistance in support of inherently governmental functions (e.g., market information). Central America ns Description for 2011: Provide SPS assistance to CAFTA-DR countries plus FTF countries (Guatemala, Honduras, and Nicaragua).	Sanitary and Phyto-Sanitary Measures (SPS)	211,000	250,000
		Activity Total	211,000	250,000
<b>Secretariat for Environmental Matters to Accept Public Submissions on Enforcement Issues</b>	Support to the CAFTA-DR Secretariat for Environmental Matters. A core obligation of the CAFTA-DR Environment Chapter is the establishment and maintenance of an independent secretariat to receive and process submissions asserting that a Party is failing to effectively enforce one or more of its environmental laws. The Secretariat plays an important role in promoting public awareness of the submissions process and environmental enforcement.	Other Trade Capacity Building	400,000	
		Environmental Standards and Trade		1,100,000
		Activity Total	400,000	1,100,000
<b>Strengthen the Central American Commission for the Environment and Development (CCAD)</b>	USAID will continue strengthening CCAD in its administrative and financial procedures and project management and monitoring. A small part of the budget will be dedicated to this component of institutional strengthening.	Environmental Standards and Trade		300,000
		Activity Total		300,000
<b>Strengthened Environmental Impact Assessment Review Process</b>	Environmental Impact Assessments (EIAs) identify and assess the significance of environmental, social and economic effects of a project. Continued efforts will include building consensus around the recommendations for strengthening the EIA review process and holding regional EIA best practices workshops.	Environmental Standards and Trade		800,000
		Activity Total		800,000
<b>Strengthened Environmental Law Enforcement</b>	The CAFTA-DR Program has helped strengthen the work of prosecutors and judges through training as well as the compilation of legal reference materials. Continued assistance will strengthen environmental law enforcement in universities and law schools in the region, incorporating environmental law courses into curriculums, and raising awareness for judges, prosecutors and lawyers throughout the countries.	Environmental Standards and Trade		500,000
		Activity Total		500,000

<b>Support Implementation of CAFTA-DR Environmental Chapter Requirements</b>	The project will provide technical assistance to implement Chapter 17 (Environment) obligations, and the Environmental Cooperation Agreement (ECA) Work Plan. Major areas of assistance are: (a) Strengthening Environmental Management Systems and improving compliance with environmental laws and Multilateral Environmental Agreement, (b) Supporting public participation and consultations under the CAFTA-DR and ECA, and (c) Improving private sector environmental performance and compliance.	Environmental Standards and Trade	<b>5,275,000</b>	<b>1,275,000</b>
		Activity Total	<b>5,275,000</b>	<b>1,275,000</b>
<b>Support Implementation of CAFTA-DR Labor Chapter Requirements</b>	The project will provide technical assistance to implement the CAFTA-DR Labor Chapter and additional commitments by Trade and Labor Ministries, including: (a) Strengthening labor justice institutions, increasing access to justice, (b) Raising professional standards in labor justice and (c) Incrementing the use of alternative dispute resolution (ADR) and of oral procedures in labor courts.	Trade-related Labor	<b>7,184,000</b>	
		Activity Total	<b>7,184,000</b>	
<b>Support for Implementation of CAFTA-DR Rules of Origin and Customs Administration Requirements</b>	E-CAM will provide technical assistance and training on CAFTA-DR Chapter 3-4-5 Rules of Origin, Customs Administration and Trade Facilitation. E-CAM will work with the TCB Committee to identify regional priorities. Results: Public and Private sector capacity strengthening for effective implementation of CAFTA-DR Agreement. Activities include: verification of origin, trade facilitation mechanisms and code of ethics for customs officials.	Customs Operations	<b>543,468</b>	
		Activity Total	<b>543,468</b>	
<b>Todos y Todas Comunicamos</b>	This is a new project with a TBD grantee that will leverage the work of both previous DOL and USAID projects to work with the Ministry of Labor and labor courts in one country in the region to help the Ministry and the courts effectively link their respective case management systems.	Trade-related Labor		<b>1,500,000</b>
