Activity Title	Activity Description	TCB Category	FY2010	FY2011
			Total	Total
2011 U.S.-China Aviation Summit	In FY 2011, USTDA approved a Technical Symposium (TS) that would sponsor the 2011 U.S. - China Aviation Summit, a two and a half-day conference in Washington, DC. The conference would serve to sustain long-term strategic and commercial relationship between the Chinese and U.S. aviation industries while presenting substantial commercial value to U.S. aviation-related technology and service suppliers.	Trade-related Infrastructure		317,690
		Activity Total		317,690
800MW Integrated Gasification Combined Cycle Power Station	In FY 2010, USTDA approved a Feasibility Study to establish the configuration and design parameters for the plant and enable progress towards implementation of a 800MW Integrated Gasification Combined Cycle (IGCC) Power Station, the first large-scale IGCC power plant in China.	Trade-related Infrastructure	832,877	
		Activity Total	832,877	
Antimonopoly International Workshop in China	An Antitrust Division staff member acted as instructor in the Antimonopoly International Workshop hosted by China's National Development and Reform Commission (NDRC) and the Organization for Economic Cooperation and Development (OECD).	Competition Policy, Business Environment, and Governance	1,571	
		Activity Total	1,571	
Antitrust Seminar in China	Antitrust Division officials acted as instructors in an antitrust seminar hosted by China's Supreme People's Court in Beijing.	Competition Policy, Business Environment, and Governance	13,441	
		Activity Total	13,441	
Antitrust Training Workshop in China	The Antitrust Division participated in an antitrust training workshop for China's National Development and Reform Commission (NDRC) in Beijing.	Competition Policy, Business Environment, and Governance		9,352
		Activity Total		9,352
Asia's Regional Response to Endangered Species Trafficking (ARREST)	This program will build capacities of law enforcement agencies and improve custom procedures across the region to combat illegal trade in threatened and endangered wildlife and strengthen implementation of national laws and the Convention on Trade in Endangered Species of Wild Fauna and Flora. Program activities will also foster enhanced regional collaboration on combatting illegal trade, through the ASEAN-Wildlife Enforcement Network and other regional organizations.	Competition Policy, Business Environment, and Governance	300,000	250,000
		Activity Total	300,000	250,000
Beijing Second Airport Development Plan	In FY 2010 the USTDA approved \$700,652 a technical assistance for the Civil Aviation Authority of China (CAAC). The project would create a more complete project definition for the new Beijing Second Airport and analyze the proposed runway alignments.	Trade-related Infrastructure	676,170	
		Activity Total	676,170	
Beijing Second Airport Development Plan - FAA Transfer Funds	In FY 2010 the USTDA approved \$700,652 to partially fund a technical assistance (TA) for the Civil Aviation Authority of China (CAAC). The project would create a more complete project definition for the new Beijing Second Airport and analyze the proposed runway alignments.	Trade-related Infrastructure	24,482	
		Activity Total	24,482	
Cartel Investigation Training in China	The Antitrust Division participated in a seminar on investigation of cartel activities hosted by China's State Administration for Industry and Commerce (SAIC) in Shenzhen.	Competition Policy, Business Environment, and Governance		3,033
		Activity Total		3,033

Activity Title	Activity Description	TCB Category	FY2010	FY2011
			Total	Total
China Competition and Consumer Law and Policy Technical Assistance	The program assists China in its effort to build institutional capacity to apply competition and consumer law and policy, along with other legal and regulatory frameworks that facilitate the successful operation of a competitive market economy characterized by conditions that encourage entry into markets and undistorted consumer choice among competing offers in the marketplace.	Competition Policy, Business Environment, and Governance	43,044	15,131
		Activity Total	43,044	15,131
FDA-FAS Food Defense Collaboration	FAS and FDA have expanded their partnership to provide food defense technical assistance to build global capacity to prevent deliberate tampering and contamination of the food supply by those with malicious intent, thereby safeguarding food trade and consumption. Specifically funding for: Roadshows in China and Mexico; Collaborative Exchange programs for APEC economies; and outreach to national authorities and EU, international, and multilateral institutions has been obligated in 2011. China (P.R.C.) Description for 2011: In an effort to address the topic of food defense in China, a team of US experts executed a series of food defense awareness workshops in Beijing, Guangzhou, and Shanghai, China. The workshops raised awareness of the importance of protecting the food supply chain against intentional contamination and providing voluntary low cost/no- cost approaches to protect the safety and integrity of international agricultural trade.	Trade-related Agriculture		131,790
		Activity Total		131,790
General Aviation Development Implementation System	In FY 2011, USDA approved a Technical Assistance (TA) to assist the Civil Aviation Administration of China in funding a Generational Aviation Development Implementation Support Project, as part of the seventh phase of the U.S.- China Aviation Cooperation Program (ACP). The project's objective is the successful liberalizing of the general aviation market in China.	Trade-related Infrastructure		429,654
		Activity Total		429,654
Humphrey Fellowship - China	An official of the Shanghai AQSIQ was provided training on US Food Safety System, FDA Seafood Safety Regulations, Compliance, Food Defense, and JIFSAN technical assistance programs to enhance seafood safety. 5/3/- 5/28/2010	Sanitary and Phyto-Sanitary Measures (SPS)	5,000	
		Activity Total	5,000	
Intellectual Property Foreign Criminal Enforcement Training and Technical Assistance	This spending responds to a Congressional soft earmark directing the Department (INL) to fill a gap in govt-to- govt criminal enforcement training to build capacity of foreign law enforcement to cooperate with the USG in combating IPR theft. The earmark has been put in annually at the instance of key US industry rights holders who believe strong government-to- government involvement in training was a 'missing link' that needed to be filled to counter increasingly sophisticated transnational crime.	Other Trade Capacity Building	428,040	
		Activity Total	428,040	
JIFSAN Commercially Sterilized Processed Foods (CSPF) Training Program	A USFDA expert participated on a JIFSAN teaching team on low acid canned food acidified food (LACF/AF) processing for government and industry in Hangzhou. 3/14/2011 - 3/18/2011	Sanitary and Phyto-Sanitary Measures (SPS)		26,890
		Activity Total		26,890
JIFSAN-FDA Commercially Sterile Processed Foods Training Program - China	University faculty, industry and FDA experts provided technical assistance to about 50 producers and regulators of low acid and acidified foods. 9/13- 9/17/2010	Sanitary and Phyto-Sanitary Measures (SPS)	28,500	
		Activity Total	28,500	
JIFSAN-USFDA Good Aquaculture Practices Train-the-Trainer	Three USFDA/CFSAN experts worked with a JIFSAN team to provide a five- day training program in Xiamen, China, for 70 participants from government, fish farmers and seafood processors. Curriculum included a site visit to a tilapia farm, FDA food laws and regulations, HACCP for shrimp hatcheries, controlling drug residues used in aquaculture, human health impacts of aquaculture drugs and chemicals, traceability, GMPs, water quality management, and worker sanitation. 5/16/2011 - 5/20/2011	Sanitary and Phyto-Sanitary Measures (SPS)		38,860
		Activity Total		38,860

Activity Title	Activity Description	TCB Category	FY2010	FY2011
			Total	Total
Lecture Series on Food Safety - China	Training program organized by Yale University and FDA of 18 health regulators (SFDA and provincial FDAs) to learn about US food safety system, risk management, and FDA compliance 9/21/2010	Sanitary and Phyto-Sanitary Measures (SPS)	1,000	
		Activity Total	1,000	
Low Emissions Asian Development Program	The program will support regional cooperation and regional capacity building efforts involving twelve countries across Asia to advance climate change enabling conditions in the areas of clean energy and sustainable landscapes. USAID efforts will work to strengthen national and subnational capacity relating to greenhouse gas (GHG) accounting; national and corporate GHG inventory development; data management; monitoring, reporting, and verification (MRV) capabilities.	Environmental Standards and Trade	40,000	
		Activity Total	40,000	
Manufacturing of Acidified Foods and Low Acid Canned Foods class	A USFDA expert supervised this LACF training program at the College of Food Science and Engineering, Ocean University of China in Qingdao. 9/5/2011 - 9/17/2011	Sanitary and Phyto-Sanitary Measures (SPS)		13,160
		Activity Total		13,160
Market Definition Workshop for Chinese Agencies	An Antitrust Division staff member acted as an instructor in technical assistance regarding market definition for Chinese Agencies in Beijing.	Competition Policy, Business Environment, and Governance	4,162	
		Activity Total	4,162	
Merger Investigation Seminar in China	The Antitrust Division participated in a seminar on merger investigation for China's Ministry of Commerce in Xiamen.	Competition Policy, Business Environment, and Governance		3,581
		Activity Total		3,581
Merger Remedies Training in China	An Antitrust Division staff member acted as instructor in the Merger Remedies Training program for China's Ministry of Commerce hosted by the Asian Development Bank (ADB) and Organization for Economic Cooperation and Development (OECD) in Chongqing.	Competition Policy, Business Environment, and Governance	4,341	
		Activity Total	4,341	
Responsible Asia Forestry and Trade (RAFT)	To address the shared problems of illegal logging and conversion of forests with high biodiversity value and promotion of legal timber trade, the program aims to improve timber trade policies, reform government procurement, improve customs procedure and corporate procurement practices in eight countries, covering Cambodia, China, Indonesia, Laos, Malaysia, Papua New Guinea, Thailand, and Vietnam.	Environmental Standards and Trade	600,000	
		Activity Total	600,000	
Scientific Cooperation Exchange Program with China (P.R.C.)	The U.S. Department of Agriculture's Scientific Cooperation Exchange Program (SCEP) has played an important role in facilitating agricultural trade, collaboration in agricultural science and technology, and enhancing overall relations between the United States and the Peoples Republic of China. Since 1979, SCEP sponsored more than 2,180 American and Chinese policymakers in areas such as food security, climate change, agricultural policy and alternative energy.	Trade-related Agriculture	400,000	513,055
		Activity Total	400,000	513,055
Scientific Exchanges for China	The U.S. Trade and Development Agency and USDA Foreign Agricultural Service have partnered since 2006 under U.S. - Sino Agricultural Biotechnology Safety Assessment Cooperative to offer six week fellowships and scientific exchanges to Chinese officials, regulators and experts. Under phase III of the program, we will provide additional longer term exchange opportunities focused on enhancing mutual understanding of Chinese and U.S. biotechnology policy.	Trade-related Agriculture	104,199	
		Activity Total	104,199
