Activity Title	Activity Description	TCB Category	FY2010 Total	FY2011 Total
Intellectual Property Foreign Criminal Enforcement Training and Technical Assistance	This spending responds to a Congressional soft earmark directing the Department (INL) to fill a gap in govt-to-govt criminal enforcement training to build capacity of foreign law enforcement to cooperate with the USG in combating IPR theft. The earmark has been put in annually at the instance of key US industry rights holders who believe strong government-to-government involvement in training was a 'missing link' that needed to be filled to counter increasingly sophisticated transnational crime. East Asia and Oceania ns Description for 2011: ASEAN REGIONAL: IPR Training for Judges and Prosecutors. USPTO proposes a series of workshops for 250 ASEAN nation judges and prosecutors over a two year period focused on judicial and prosecutorial management of IPR cases, especially those that involve TOC.
