

Table 1. Haiti Trade Capacity Assistance for 2010 and 2011

Activity Title	Activity Description	TCB Category	FY2010 Total	FY2011 Total
Better Work - Global	The ILO/IFC Better Work Program improves both compliance with labor standards and competitiveness in global supply chains. Better Work supports enterprises in improving their adherence to international core labor standards and national labor law, enabling enterprises to compete in global markets where many buyers demand compliance with labor standards from their suppliers. Haiti Description for 2011: The Better Work Haiti project monitors factories under The Haitian Hemispheric Opportunity through Partnership Encouragement Act (HOPE II). HOPE II provides tariff free access to the U.S. market for certain Haitian-made apparel and other articles where the Government of Haiti and the individual producers of those articles meet certain requirements.	Trade-related Labor		1,100,000
		Activity Total		1,100,000
