

Table 1. India Trade Capacity Assistance for 2010 and 2011

Activity Title	Activity Description	TCB Category	FY2010	FY2011
			Total	Total
APEDA Low Acid Canned Food and Acidified Foods Workshop	4/7/ - 4/8/2011 Two experts from the USFDA/OIP India Post presented lectures in this workshop in Navi, Mumbai, sponsored by the Agricultural and Processed Food products Export Development Authority (APEDA).	Sanitary and Phyto-Sanitary Measures (SPS)		4,860
		Activity Total		4,860
Air Traffic Control Officer Long Term Planning	In FY 2010 USTDA funded a technical assistance to provide an expert US assessment of the Airport Authority of India's draft Long - Term Manpower Requirements Plan for Air Traffic Control Officers.	Trade-related Infrastructure	62,160	
		Activity Total	62,160	
Asia's Regional Response to Endangered Species Trafficking (ARREST)	This program will build capacities of law enforcement agencies and improve custom procedures across the region to combat illegal trade in threatened and endangered wildlife and strengthen implementation of national laws and the Convention on Trade in Endangered Species of Wild Fauna and Flora. Program activities will also foster enhanced regional collaboration on combatting illegal trade, through the ASEAN - Wildlife Enforcement Network and other regional organizations.	Competition Policy, Business Environment, and Governance		30,000
		Activity Total		30,000
Biotechnology Regulatory Development Assistance	Regulation of agricultural biotechnology has implications for environmental and human health safety as well as agricultural trade. This activity provides a global platform for technical assistance to developing countries in Asia and Africa to develop and implement biosafety regulatory policies and practices.	Trade-related Agriculture	50,000	
		Environmental Standards and Trade	100,000	
		Competition Policy, Business Environment, and Governance	50,000	
		Activity Total	200,000	
Business Support Services in India	OPIC provided financing for the expansion of Air Works' Maintenance, Repair and Overhaul ("MRO") business in India. This project encourages business support services for exporters and importers.	Trade-related Services (excluding Tourism)		1,488,014
		Activity Total		1,488,014
Cold Chain Infrastructure	In FY 2011, USTDA approved a Reverse Trade Mission (RTM) which will bring twelve Indian public and private sector officials and USTDA's India representative to the U.S. to familiarize them with U.S. cold chain technologies and services	Trade-related Services (excluding Tourism)		254,347
		Activity Total		254,347
Competition Conference in India	The Antitrust Division participated in two workshops hosted by the Competition Commission of India in New Delhi.	Competition Policy, Business Environment, and Governance	9,531	
		Activity Total	9,531	
Global Conferences	This program is to help developing countries build institutional capacities, and legal and regulatory frameworks that facilitate business activity, particularly through the removal of barriers to the entry of new competition. It also helps establish a sustainable commercial law system that allows for the efficient and predictable conduct of business on terms consistent with international norms.	Competition Policy, Business Environment, and Governance	59,518	
		Activity Total	59,518

Activity Title	Activity Description	TCB Category	FY2010	FY2011
			Total	Total
Ground Based Augmentation System Pilot Project	In FY 2011, USDA approved a Technical Assistance (TA) to assist the Airports Authority of India (AAI) for the installation, certification, and operational commissioning of a Ground Based Augmentation System (GBAS) at Chennai airport. The TA can help the grantee sponsor the modernization needed to handle increasing capacity demands with proper safety management.	Trade-related Infrastructure		407,325
		Activity Total		407,325
IP Workshop on Recent Trends in IP Practice and Management	This program is the third in the series of programs that have been organized for scientists of council of scientific and industrial research (CSIR) to help them understand the system of patent filing, examination and prosecution followed by the USPTO. the program also focuses on the practice of technology transfer that is followed by public funded research and development institutes in the U.S. as well as management and audit of IP portfolios by such institutes.	Intellectual Property Rights (IPR)		9,922
		Activity Total		9,922
India Ag Market Systems and Warehouse Receipts	USAID funds USDA to provide technical assistance to India to strengthen their agricultural market systems through terminal markets and warehouse receipts programs. US Warehouse Receipts Study Tour Nov. 2009: The study tour program delivered a comprehensive, hands-on understanding of U.S. grain harvesting, harvesting methods, grain packaging and transport (included site visits to farms and facilities) that have potential applications in India.	Trade-related Infrastructure	15,000	
		Trade-related Agriculture	15,000	
		Activity Total	30,000	
India Competition and Consumer Law and Policy Technical Assistance	The program assists India in building institutional capacity to apply competition and consumer law and policies, along with other legal and regulatory frameworks, that facilitate the successful operation of a competitive market economy characterized by conditions that encourage entry into markets and undistorted consumer choice among competing offers in the marketplace.	Competition Policy, Business Environment, and Governance		52,497
		Activity Total		52,497
International Interdiction Training: Air Cargo, Railroad, X-ray, and Cross-Border	International Interdiction Training - Air Cargo, Railroad, X-ray, and cross border - Promotes border security and customs operations by donating equipment to support the ability to operate inspection and detection equipment. This activity is part of the Export Control and Related Border Security Assistance (EXBS) program, the premier initiative by the U.S. Government to help other countries improve their export control systems.	Customs Operations		36,400
		Activity Total		36,400
Low Emissions Asian Development Program	The program will support regional cooperation and regional capacity building efforts involving twelve countries across Asia to advance climate change enabling conditions in the areas of clean energy and sustainable landscapes. USAID efforts will work to strengthen national and subnational capacity relating to greenhouse gas (GHG) accounting; national and corporate GHG inventory development; data management; monitoring, reporting, and verification (MRV) capabilities.	Environmental Standards and Trade	40,000	40,000
		Activity Total	40,000	40,000
Offshore Oil and Gas Safety Technical Assistance to India	The Oil Industry Safety Directorate of India (OISD) and the US Department of the Interior's BOEMRE have agreed to cooperate on safety issues in the regulation of offshore oil and gas exploration. Cooperation will consist of: carrying out offshore safety audits and inspections in India by OISD in association with BOEMRE experts; organizing training programs focusing on offshore safety, equipment usage, and operational practices. A workshop was held in February 2010.	Other Trade Capacity Building	31,006	
		Activity Total	31,006	
Program to Help Developing Countries Legally Empower the Poor	The purpose of this grant is to promote worldwide awareness and facilitate the legal empowerment of the poor through the granting and upholding of basic economic rights for individuals. This includes real property rights as well as so-called business rights, contract rights, and judicial enforcement of the same. Activities are focused in developing countries that request help from ILD. India Description for 2011: Following discussions with top figures in government and grassroots organizations, 3 projects are coming underway: 1. Diagnosis of extralegality in Andhra Pradesh and Chhattisgarh, in partnership with the Ministry of Housing and Urban Poverty Alleviation (MHUPA). 2. Preliminary assessment of extralegality in Gujarat, in partnership with Indias Self Employed Womens Association (SEWA). 3. Pre-Diagnosis project in West Bengal -an assessment of value of "dead capital" in extralegal assets.	Competition Policy, Business Environment, and Governance		100,000
		Activity Total		100,000
